About the conference

It is a great pleasure and an honor to extend to you a warm invitation to attend 37th European Pediatrics Congress to be held May 15-16, 2025 Paris, France. We sincerely welcome all the eminent researchers, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future revolutions in the field of Pediatrics.

Pediatrics is the branch of medicine concerned with the development, medical care, and diseases of babies, children and adolescents from birth up to the age of 18. The aims of the study of pediatrics is to reduce infant and child rate deaths, command the spread of infectious disease, promote active lifestyles for a long disease-free life and help simplify the problems of children and adolescents with chronic conditions.

Theme: "Advancing Therapeutics in Pediatrics and Neonatology: Healing Children, Transforming the World".

Why to attend the conference

Euro Pediatrics Conference is the best platform for learning about Pediatrics, to reach the largest assemblage of participants from across the globe. Conduct demonstrations, distribute information, meet with senior pediatricians, make a splash with a new advancement, and receive name recognition at this 2-day event. World-renowned speakers, the most recent advancements and the newest updates in Pediatrics fields are hallmarks of this conference.
