Host City

Milan is the capital of the Lombardy region, and the most populous metropolitan area and the second most populous commune in Italy. The population of the city proper is 1.3 million, while its urban area, with a population estimated to be about 5.5 million, is the 4th-largest in the Europe. The wider Milan metropolitan area, known as Greater Milan, is a polycentric metropolitan region of 7 to 10 million people. Milan is the main industrial and financial centre of Italy and one of global significance. In terms of GDP, it has the 2nd-largest economy among Europe cities after Paris, and the largest among European non-capital cities. Milan is considered part of the Blue Banana and lies at the heart of one of the Four Motors for Europe.

Milan is a leading global city, with strengths in the arts, commerce, design, education, entertainment, fashion, finance, healthcare, media, services, research, and tourism. Its business district hosts Italy's Stock Exchange and the headquarters of the largest national and international banks and companies. The city is a major world fashion and design capital, well known for several international events and fairs, including Milan Fashion Week and the Milan Furniture Fair. The city hosts numerous cultural institutions, academies and universities, with 11% of the national total enrolled students.

Vision & Plan

International Market Approach

Euro Pharmacovigilance 2020 welcomes attendees, presenters, and exhibitors from all over the world to Valencia, Spain. We are delighted to invite you all to attend and register for the **"2nd European Conference on Pharmacovigilance and Drug Safety"** which is going to be held during September 21-22, 2020 in Milan, Italy. The Organizing Committee is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world. We invite you to join us at the Euro Pharmacovigilance 2020, where you will be sure to have a meaningful experience with scholars from around the world. All the members of Euro Pharmacovigilance 2020 Organizing Committee will look forward to meet you at Milan, Italy.

This market is experiencing a significant boost owing to patent expiration of branded drugs and increasing number of new drug developments. This has attracted several local and international pharmacovigilance service providers. Presence of competitive milieu has led to improved clinical data management, pharmacovigilance and streamlined R&D process.
