WELCOME ADDRESS

Dear Attendees,

The Euro Psychiatry 2024 Organizing Committee is absolutely delighted to welcome you to the **34th Euro Congress on Psychiatrists and Psychologists** which will be held in **Zurich, Switzerland** on **March 18-19, 2024** where we will be shining a spotlight on *"Transforming Mental Health: Empowering Individuals, Inspiring Communities"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Psychology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in Zurich. Zürich is the largest city in Switzerland and the capital of the canton of Zürich. It is located in north-central Switzerland, at the northwestern tip of Lake Zürich. Zürich is also known for its vibrant nightlife and gastronomy. Zurich is also a cultural hub, with more than 50 museums and 100 art galleries to visit. You can admire masterpieces by Swiss and international artists, learn about the history and traditions of the country, or discover the latest trends in design and innovation.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Euro Psychiatry 2024

ABOUT US

Goals & Objectives

- The Euro Psychiatry 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Psychiatry.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Psychiatry.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

34th Euro Congress on Psychiatrists and Psychologists is among the World's leading Scientific Conference. The two day event on Psychiatry will host major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Psychiatry and Psychology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Psychology conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Psychology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Psychology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Psychiatry 2024**.

TESTIMONIALS

The many variations of subjects and professions made a nice and interesting input to the congress and valuable. It was managed very well under a difficult period in our life and with flexibility as well as patients, which influenced the speaker positive.

Elizabeth Ekman
Karlstad University, Sweden

Thank you very much , please I want to write a review for you because I have enjoyed every presentation yesterday were really good ones. I will get in touch with you for full length after the abstract to get published.

Elona Greca
Larkin Community Hospital, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ZURICH

Zürich, the largest city in Switzerland, is a stunning destination in winter. With its snow-capped mountains, sparkling lake, and charming old town, it offers a variety of attractions and activities for all tastes. Another signature of Zürich is its watchmaking tradition. You can admire the craftsmanship and elegance of Swiss watches in the many boutiques and museums, or even learn how to make your own timepiece in a workshop.

Zürich is also a city of culture and art. It has over 50 museums and 100 art galleries, as well as the Zürich Opera House and the Schauspielhaus Zürich, the main theater.

Zürich is surrounded by nature and offers many opportunities for outdoor activities. You can enjoy the views of the Alps, the lake, and the Limmat River, or explore the nearby mountains and forests.

The Botanical Garden houses about 15,000 species of plants and trees and contains as many as three million plants. In the garden, many rare plant species from south western part of Africa, as well as from New Caledonia can be found. The University of Zürich holds the ownership of the Botanical Garden.

The high quality of life has been cited as a reason for economic growth in Zürich.

Zürich benefits from the high level of investment in education which is typical of Switzerland in general and provides skilled labour at all levels. The city is home to two major universities, thus enabling access to graduates and high technology research. Zürich is home to several international sport federations.
