WELCOME ADDRESS

Dear Attendees,

The Euro Biosimilars 2024 Organizing Committee is absolutely delighted to welcome you to the **17th European Biosimilars Congress** which will be held in **Madrid, Spain** on **April 04-05, 2024**, where we will be shining a spotlight on *"Biopharmaceutical Innovations: Ensuring Quality in Biosimilar Production"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Pharma research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as Spain. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Euro Biosimilars 2024

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Euro Biosimilars 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Euro Biosimilars 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Pharmaceutical Sciences, Pharmaceutics.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Pharmaceutical Sciences.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

17th European Biosimilars Congress is among the World's leading Scientific Conference. The two day event on Pharmaceutical Sciences will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Pharmaceutical Sciences & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Euro Biosimilars which will comprises of 22 major sessions designed to offer comprehensive sessions that address current issues in various fields of Pharmaceutical Sciences

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Pharmaceutical Sciences provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Biosimilars 2024**.

ABOUT CONFERENCE

Who Should Attend?

Euro Biosimilars 2024 Conference website is attracting 56000+ physicians, public health experts, Pharmacists , Bio instruments Professionals, Bio-informatics Professionals, Supply Chain companies, Manufacturing Companies, CRO and DATA management Companies, Business Entrepreneurs, Investment Analysts, R&D Researchers from Pharma Industries, Chief Scientific Officers, PhD Scholars, professionals, speakers, professors, business delegates and students

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Current Challenges in Developing Biosimilars
- Chemical and Analytical Strategies for Biosimilars
- Intellectual Property Rights
- Biological Medicine
- Emerging Biosimilars in Therapeutics
- Innovative Clinical Approach in Biosimilars
- Regulatory Updates on Biosimilars
- Biosimilars Development in Markets
- Biosimilars Approval to Biogenerics in Clinical Practice
- Biopharmaceutical Informatics
- Consequences of Brexit on Biosimilars
- BCS and IVIVC Based Biowaivers
- Biosimilars Market and Cost Analysis
- Challenges in Biosimilars Pharmacovigilance
- Legal Issues and BPCI Act
- And many more....

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

ABOUT SPAIN

Spain, a captivating European nation located on the Iberian Peninsula, is a captivating fusion of history, culture, and natural beauty. Its dynamic character is a result of a diverse past that has left an indelible mark on every facet of its identity. The echoes of ancient civilizations are evident in the labyrinthine streets of cities like Seville and Cordoba, where awe-inspiring Moorish architecture coexists harmoniously with Gothic cathedrals. Spain's landscapes range from the sun-kissed beaches of the Mediterranean coast to the rugged expanses of the Pyrenees Mountains, offering a playground for outdoor enthusiasts and explorers alike. Spain's vibrant culture is celebrated worldwide for its passion and zest for life. Flamenco music and dance, with its rhythmic intensity, embody the nation's emotional depth and artistic expression. Festivals such as La Tomatina and San Fermín's Running of the Bulls showcase Spain's exuberant spirit and penchant for revelry. The Spanish way of life, characterized by a relaxed pace and strong emphasis on family and community, is embodied in the practice of the siesta. From the fervor of Flamenco dancing to the excitement of La Tomatina festival, Spain's passionate spirit is palpable. Its culinary scene is a journey through taste, with tapas, paella, and world-renowned wines tantalizing the senses. Whether traversing the historic Camino de Santiago or basking in the allure of Andalusia's whitewashed villages, Spain offers an immersive experience that captures the essence of its rich past and dynamic present.The country's culinary scene is an exploration of taste, with tapas serving as bite-sized windows into Spain's gastronomic diversity. Paella, a rice dish laden with seafood or meat, is a flavorful emblem of Spanish cuisine that has gained global recognition. The nation's cities are a treasure trove of artistic masterpieces and architectural wonders.
