About the conference

The 20th European Congress on Clinical Pediatrics and Child Care will be held on September 11-12, 2025, in Budapest, Hungary. This prestigious event brings together pediatricians, healthcare professionals, researchers, and child care specialists from around the globe to share knowledge, discuss innovations, and collaborate on improving pediatric care.

The theme of the congress, “Innovations in Pediatric Care: Shaping the Future of Child Health and Well-being,” highlights the focus on cutting-edge advancements in pediatric medicine and child health. The congress will cover a broad range of topics, including new treatments for pediatric diseases, advancements in neonatal care, child development, nutrition, and mental health. Special attention will be given to current global challenges in child health, emphasizing evidence-based practices and research aimed at enhancing the quality of pediatric care.

Theme: Innovations in Pediatric Care: Shaping the Future of Child Health and Well-being

Why to attend the conference

- Cutting-Edge Knowledge: Stay updated with the latest innovations and research in pediatric care, from groundbreaking treatments to advancements in child health and well-being.
- Networking Opportunities: Connect with leading pediatricians, healthcare professionals, researchers, and policymakers from around the world. Build valuable professional relationships and collaborations.
- Expert Speakers: Hear from renowned experts in pediatric medicine, child care, and healthcare innovation. Gain insights into best practices and emerging trends that can transform pediatric care.
- Interactive Sessions: Participate in workshops, panel discussions, and Q&A sessions designed to foster interactive learning and in-depth understanding of critical issues affecting child health.
