WELCOME ADDRESS

Dear Attendees,

The European Immunology 2026 Organizing Committee is absolutely delighted to welcome you to the **20th International Conference on European Immunology** which will be held in **Paris, France** on **June 15-16, 2026,** where we will be shining a spotlight on *"Immune Engineering Frontiers: Precision Modulation, Cellular Reprogramming & Next-Generation Immunotherapies"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Immunology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

Paris, France, the host city of our conference, offers a perfect blend of culture, history, and innovation.

Participants will enjoy engaging scientific discussions and valuable networking opportunities.The vibrant atmosphere of Paris makes it an inspiring destination for a memorable international conference.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

European Immunology 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The European Immunology 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Immunology.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, concerns as well as practical challenges encountered and solutions adopted in the fields of European Immunology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

20th International Conference on European Immunology is among the World's leading Scientific Conference. The two day event on European Immunology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Immunology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Immunology conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of European Immunology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on European Immunology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **European Immunology 2026**.

ABOUT CONFERENCE

Who Should Attend?

European Immunology 2026 Conference website is attracting 56000+ Immunologists, Rheumatologists, Microbiologists, Pharmacists, Research scientists, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Immune Cell Reprogramming & Gene-Edited Immunotherapies
- Next-Generation Vaccines & Antigen Engineering
- Cytokine Signaling Networks & Immune Modulation
- Adaptive Immunity, Memory Formation & T-Cell Engineering
- Innate Immune Sensors, Pattern Recognition & Host Defense
- Autoimmunity Mechanisms & Precision Immunoregulation
- Immunometabolism & Cellular Energy Dynamics
- Tumor Immunology & Personalized Cancer Immunotherapies
- Mucosal Immunity & Barrier Protection Mechanisms
- Allergy, Hypersensitivity & Immune Tolerance Strategies
- Microbiome–Immune Axis & Host Interaction Pathways
- Nanotechnology-Enabled Immune Delivery Systems
- Viral Immunology, Emerging Pathogens & Host Response
- Inflammation Biology & Chronic Immune Disorders
- Computational Immunology, AI Modeling & Immune System Simulation

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

ABOUT PARIS

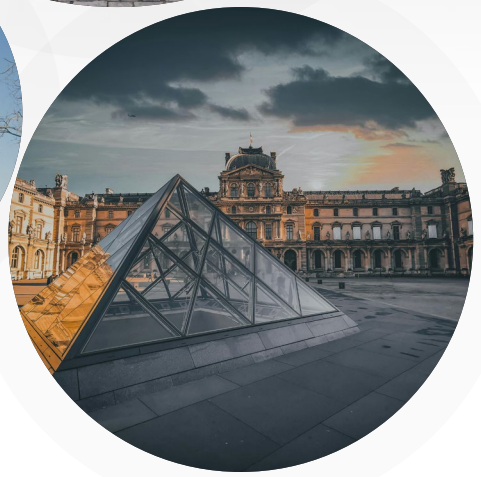

Paris is one of the world's most famous cities, where rich history blends beautifully with modern culture and innovation. As the capital of France, it is known for its remarkable architecture, world-renowned museums, and vibrant atmosphere. Walking through Paris feels like exploring a living gallery, where every street reflects art, history, and creativity. Landmarks such as the iconic Eiffel Tower and the magnificent Louvre Museum showcase the city's timeless beauty and cultural heritage.

Beyond its famous landmarks, Paris is a global center for art, fashion, and intellectual life. Historic sites like the Notre-Dame Cathedral and the Arc de Triomphe highlight its deep-rooted history, while the elegant Champs-Élysées offers a lively blend of shopping, dining, and entertainment. The city has inspired great artists and writers such as Pablo Picasso and Ernest Hemingway, and continues to be a hub for creativity and innovation.

Paris is also celebrated for its exceptional cuisine, charming streets, and scenic beauty. From traditional dishes like Coq au vin and Ratatouille to delightful cafés and bakeries, the city offers a rich culinary experience.
