6th European
FOOD CHEMISTRY CONGRESS

FEBRAURY 13-14, 2025

ROME, ITALY

Theme: "Food Safety and Quality: Chemical Innovations for a Healthier World"

INVITATION

Dear Attendees,

We are glad to announce the "6th European Food Chemistry Congress" to be held in Rome, Itlay on Febraury 13-14, 2025 organized in collaboration with generous support and cooperation from enthusiastic academicians and Editorial Board Members. Food Chemistry Congress 2025 aims at sharing new ideas and technologies amongst the healthare professionals, nurses and students from research areas of Food Chemistry Congress 2025 and it's Research. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

6th European Food Chemistry Congress amid Febraury 13-14, 2025at Rome, Italy. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,
Food Chemistry Congress 2025
Organizing Committee

Food Chemistry Congress 2025

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Food Chemistry Congress 2025 Scientific Committee is honored to welcome you all to attend 6th European Food Chemistry Congress, Patient Safety and Hospital Management which will be held during February 13-14, 2025 at Rome, Italy. Nursing Interventions will raise the most dynamic and latest issues in the field of Industrial. The Congress will highlight the discussion around the theme "Food Safety and Quality: Chemical Innovations for a Healthier World" by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at Food Chemistry Congress 2025. The highlights of the conference Food Chemistry Congress 2025 – The event will offer valuable opportunities to share knowledge on the latest trends in the field, including advancements in food technology, nutrition, and dietetics. Nutrition conferences like this are crucial for advancing scientific understanding and promoting public health. We look forward to bringing together experts to foster collaboration, innovation, and further development in the field of food chemistry.

Food Chemistry Congress 2025 salient features

- Build Strategic Business Connections
- Gain New Insights
- Collaborate with the leaders in the fields of Climate Change
- Networking events
- Strategy exchange sessions
- Specialty Exhibit Areas- Companies often have tools to display that we haven't seen yet
- The focus and energy of Like-Minded Individuals
- The Serendipity of the Random Workshops
- Lightning Sessions
- Market Debut

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students

Interesting scientific deliberations and discussions

- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on climate change, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

- The objectives of a Food Chemistry Congress are to facilitate the exchange of knowledge and research in food chemistry, promote collaboration across disciplines, and address key challenges such as food safety, sustainability, and innovation.
- The conference aims to showcase advances in food processing, functional foods, and nutrition, while exploring the chemistry behind food quality, preservation, and packaging
- It also focuses on regulatory issues, consumer education, and professional development, providing a platform for researchers, industry professionals, and students to share insights and foster future collaborations.

Who should attend?

The 6th European Food Chemistry Congress-2025 invites participation from scientists, researchers, doctors, professors, research fellows, directors, deans, post-graduates in nutrition and food chemistry, food chemists, healthcare providers, nutrition specialists, food chemistry experts, nutrition entrepreneurs, faculty members from nutrition and food-related fields, academics, students, and industry professionals. This congress serves as a premier event where individuals from diverse sectors come together to exchange ideas, discuss critical issues, and expand their knowledge.

Food Chemistry Congress 2025 salient features

- Sustainable Food Production
- Advanced Food Preservation Techniques
- Nutraceuticals and Functional Foods
- Food and Flavor Innovation
- Synthetic Biology and Biotechnology
- Improved Food Safety
- AI and Data-Driven Food Chemistry
- Food Structure and Texture Modification
- Globalization of Food Chemistry
- Regulations and Standards

ABOUT ROME

Rome is Italy's capital, renowned for its rich history, art, and culture. It was the heart of the Roman Empire and remains home to some of the world's most iconic landmarks, such as the Colosseum, Roman Forum, and Pantheon. The city also houses Vatican City, the center of the Roman Catholic Church, with treasures like St. Peter's Basilica and the Sistine Chapel.

Rome is a blend of ancient history and modern life, offering a vibrant cultural scene, from Renaissance art to modern Italian fashion. The city's cuisine, including dishes like cacio e pepe and carbonara, is a key part of its identity. As a center for politics, education, and tourism, Rome attracts millions of visitors each year to explore its historic sites and enjoy its Mediterranean climate.

Despite its ancient roots, Rome is a bustling metropolis, balancing modern urban life with its storied past, making it a unique, timeless destination.

Food Chemistry Congress 2025

Academic	
Speaker Registration only	699 $
Delegate Registration only	599 $
Video Presentation Registration	399 $
Business	
Speaker Registration only	799 $
Delegate Registration only	699 $
Exhibitor Registration Only	1599 $
Elite Sponsor	10000 $
Gold Sponsor	7500 $
Silver Sponsor	5000 $
Student	
Young Researcher Forum Registration only	499 $
Student Poster Registration	399 $
Student Registration Only	301 $
E-poster	
e-Poster Registration	99 $
Addon/Others	
Accompanying Person Registration	249 $

	Conference Day 1
Morning	Registration
	Welcome Ceremony
	Keynote Presentation
	Round Table Panel Discussion
	Lunch Breakout
Afternoon	Speaker Presentation
	Round Table Panel Discussion
	B2B Session

	Conference Day 2
Morning	Keynote Presentation
	Round Table Panel Discussion
	Speaker Presentation
	Lunch Breakout
Afternoon	Speaker Presentation
	Exhibiting Hours
	Networking Session
	Round Table B2B

Note:

The program Schedule is subject to change with final allotment of the speaker slots.
