WELCOME ADDRESS

Dear Attendees,

The Food Chemistry Congress-2027 Organizing Committee is absolutely delighted to welcome you to the **8th European Food Chemistry Congress** which will be held in **Amsterdam, Netherlands** on **April 20-21, 2027,** where we will be shining a spotlight on ***"Next-Generation Food Chemistry: From Molecular Innovation to Sustainable Nutrition"***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Nutrition research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of Europe's most vibrant and internationally renowned cities, **Amsterdam**, the capital of the Netherlands. Famous for its picturesque canals, historic architecture, rich artistic heritage, and cosmopolitan atmosphere, Amsterdam has a strong influence across culture, art, education, commerce, technology, tourism, finance, and innovation. With world-class museums, historic landmarks, diverse cuisine, excellent transportation, and a welcoming international environment, Amsterdam offers an inspiring setting to bring together leading-edge science and global collaboration. Delegates can combine professional engagement with an unforgettable experience exploring the city's beautiful canals, cultural attractions, charming neighbourhoods, and vibrant lifestyle.

We look forward to seeing/welcoming you in 2027 for an experience of a lifetime.

With Regards
Food Chemistry Congress-2027

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Food Chemistry Congress-2027 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Food Chemistry Congress-2027 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Food Chemistry, Nutrition and Safety.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Food Chemistry, Nutrition and Safety.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

8th European Food Chemistry Congress is among the World's leading Scientific Conference. The two day event on Food Chemistry will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Food Chemistry Congress, Nutrition & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Infection conference which will comprises of 12 major sessions designed to offer comprehensive sessions that address current issues in various fields of Food Chemistry Congress-2027.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Food chemistry provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Food Chemistry Congress-2027**.

ABOUT CONFERENCE

Who Should Attend?

Food Chemistry Congress-2027 Conference website is attracting 56000+ nutritionists, registered dieticians, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Chemistry of Food
- Health nutrition
- Pediatric Nutrition
- Food, Nutrition and Health

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra

ABOUT AMSTERDAM

Amsterdam is a city full of charm, history, art, and vibrant culture. It is the capital and largest city of the Netherlands, renowned for its picturesque canals, historic architecture, and cosmopolitan atmosphere. Artistically, the city is one of Europe's leading cultural destinations, home to world-famous museums such as the Rijksmuseum, Van Gogh Museum, and Stedelijk Museum. Amsterdam has an oceanic climate, with mild summers, cool winters, and rainfall throughout the year. Spring is particularly beautiful, especially during the tulip season, while April, May, June, September, and October are ideal months for exploring the city.

The culture of Amsterdam is deeply influenced by its rich maritime history and the Dutch Golden Age. Visitors can discover the UNESCO-listed Canal Ring, Dam Square, Royal Palace, Jordaan district, Museumplein, and the historic Anne Frank House. The city beautifully combines traditional canal houses and historic landmarks with modern architecture, design, fashion, and international cuisine. There are countless experiences that make Amsterdam memorable, whether enjoying a coffee beside a canal, taking a scenic canal cruise, cycling through charming streets, visiting art galleries, exploring local cafés, or relaxing in Vondelpark. With its unique blend of history, culture, art, and contemporary lifestyle, Amsterdam offers an unforgettable experience for visitors from around the world.
