ABOUT CONFERENCE

We remembrances each solitary of your presence to the "14th world congress on Food chemistry and Food microbiology' Webinar, will be going to held on August 30th, 2021. This webinar main concept is to give you a good knowledge on Food Chemistry aspects like, Food Science and Technology, Food Microbiology, Packaging, Nutrition of Food and the Diet what we have to adapt in our daily Curriculum.

This Webinar is a platform where technologies of Food chemistry and nutrition to improve human health and various programmes regarding the Microorganisms is how they can be helped in our daily process can be discussed

14TH WORLD CONGRESS ON FOOD CHEMISTRY AND FOOD MICROBIOLOGY

August 25th, 2021 | webinar

FOOD CHEMISTRY MEET 2021

Theme: Exploring the innovations in Food Chemistry and Food Microbiology

Sessions/Tracks:

- Food Microbiology
- Food Chemistry and NanoTechnology
- Food Nutrition and Health Diet and Cancer
- Beneficial role of microorganisms in food industry
- Mycotoxins in food
- Food packaging and innovations
- History of nutrition & Natural healers and fermented foods
- Diet in obesity and under weight
- Microbial testing methods for maintain food safety
- Essenstial of Antioxidants in foods
- Food Quality and New Analytical Apporaches
- Food borne diseases
- Plant Based Diet
- Chemistry of Food Colouring
- Food Sciences and Human Nutrition
- Natural Therapeutic products frm Microbes
- Food Processing and Preservation
- Food safety and quality control
- Advances in food Chemistry

Target Audience

- Food chemists
- Food Technologist
- Food Microbiologists
- Food technicians
- Food industries
- Food Microbiology Societies
- Food Microbiology Associations Food microbiologist and food chemistry researchers
- Individuals involved in Food Microbiology, Biotechnology, Nanotechnology and Food related fields
- Physicians Nutritionists
- Academic faculty
- Registered Dieticians
- Fitness experts
- Private sectors
- Researchers
- Students (Postgraduates, Doctorates)
- Business Entrepreneurs and Industrialists
- Directors, Board Members, Presidents, Vice Presidents
- Scientists
- CEO's and R& D Heads from Industries
