FOOD CONFERENCE 2020

INVITATION

We are glad to announce the **29th World Conference on Food and Beverages** to be held in **London, UK** on **April 13-14, 2020** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Food Conference 2020 aims at sharing new ideas and technologies among the professionals, scientists, industrialists and students from research areas of Food and Beverages. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

This international meet (Food Conference 2020) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in Food and Beverages sector. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class associations.

Sincerely,
Food Conference 2020
Organizing Committee

About US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

FOOD CONFERENCE 2020

About Conference

Food Conference 2020 website is attracting 25000+ Noble laureates, Food Scientists, Food Technologists, Food Microbiologists, Food Safety Consultants, Food Chemist and online visitors ranging from Researchers, Academicians, Business Entrepreneurs who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Nursing & Healthcare Conference 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist’s representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

FOOD CONFERENCE 2020

About Conference

Goals

• The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.

• Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Food safety and regulatory measures, present the most recent research findings, and promote and enhance scientific collaborations around the world. Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in the field of Food and Beverages
- Discuss and apply recent research findings related to Food and Beverages field.
- Reflect on the place of critical distance in Food and Beverages processing and advancements.

Who should attend?

• Food Scientists
• Food Technologists
• Food Safety Consultants
• Food Microbiologists
• Food Chemists, Research Scholars, Business Professionals
• Students, Ph.D. Scholars

FOOD CONFERENCE 2020

About hosting organization

Conference Series LLC Ltd is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

Conference Sessions

- Bioinformatics in Food Tech
- Food & Beverages Preservation
- Food Technology in Agriculture
- Food Biotechnology
- Food & Beverages Production
- Food Product Development
- Food Beverages & Microbiology
- Food science and technology research
- Food Nutrition & Quality Assurance
- Food Engineering
- Food Grading
- Dairy and Food Technology
- Food Hygiene & Sanitation
- Food, Beverages & Dietary Supplements
- Innovation in Food packaging
- Importance of Food Technology
- Negative Effects of Food Technologies
- Nanotechnology in the Food Industry
- Poultry Processing and Products
- Scope & Importance of food processing
- Bioinformatics in Food Tech
- Bio-processed Food & Beverages
- Food Fortification

FOOD CONFERENCE 2020

Supporting Journals

- Journal of Food Processing & Technology
- Journal of Nutrition & Food Sciences
- Journal of Food: Microbiology, Safety & Hygiene

What to get from Food Conference 2020

Researchers

Will provide a global platform for experts to share their innovative thoughts and will encourage international cooperation between industries & academia.

Delegates

Young Researchers

Will provide an opportunity to learners and young experts to share and discuss their vision with the experts.They can join as a learner and march forward as a leader.

FOOD CONFERENCE 2020

About London, UK

London is the political, economic and cultural capital of England, and its world category tour attractions are known across the world. It is a leading Global City. London is considered as a world cultural capital. It is the world's most-visited city as measured by international arrivals. The Greater London space is exploding with attractions for guests of all ages. Historic gardens, historic buildings, museums, London Bridge, Palace and The London eye. The Roman engineers referred the town as Londinium on the Thames River within the year AD 43. The town was attacked and destroyed. Then the Romans restored the city as London. The name Londinium then 'London' came from the Indo-Hittite of the traditional Britons within the year AD 61. London is the center of the planet – and a world in one town, with a wealth of various cultures and communities across the capital, there are three hundred languages and culinary art from over seventy countries. Whereas English is the official language, many European languages are terribly wide spoken in and around London. Given the scale of the massive doctrine population, several different languages areutilized in standard of living.
