foodnutrition@foodtechconferences.com

# Invitation

Dear Attendees,

We are glad to announce the 21st International Conferece on Food & Nutrition to be held in Chicago, USA from March 21-23, 2018 organized by Conference Series , USA in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Food Science, Food Technology, Food Safety and Management, Food Beverages, Food Microbiology, Food and Economy, Nutrition, Nutraceutical and Nutrition Supplements, Clinical Nutrition, Malnutrition and Undernutrition, Dieticians and Nutritionists, Obesity and Public Health Research and will be available to discuss with you the latest issues and trends in Overcoming Milestones towards "Forum for Innovation in Food Science, Nutrition and Public Health".

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Food & Nutrition Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Chicago, USA this March.

**Sincerely,**

**Food & Nutrition 2018**

**Organizing Committee**

# ABOUT US

## Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

## Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

# ABOUT US

## Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

## Salient Features

- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

## Food & Nutrition 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

# ABOUT CONFERENCE

## Purpose

21st International Conference on Food & Nutrition is an arena for interdisciplinary exchange among professionals in the fields of Food Science, Nutrition and Public Health.

## Goals

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience.

Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Agriculture & Horticulture present the most recent research findings, and promote and enhance scientific collaborations around the world.

Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

## Objectives

After participating in this meeting, attendees should be able to Discuss emerging issues in Food & Nutrition.

Discuss and apply recent research findings related to Food & Nutrition.

Reflect on the place of critical distance in Food & Nutrition.

# About Chicago

Chicago, officially the City of Chicago, is the third-most populous city in the United States. With over 2.7 million residents, it is also the most populous city in both the state of Illinois and the Midwestern United States. It is the county seat of Cook County. The Chicago metropolitan area, often referred to as Chicagoland, has nearly 10 million people and is the third-largest in the U.S. Chicago has been called a global architecture capital. Chicago was incorporated as a city in 1837, near a portage between the Great Lakes and the Mississippi River watershed, and grew rapidly in the mid-nineteenth century.[8] Positioned along Lake Michigan, the city is an international hub for finance, commerce, industry, technology, telecommunications, and transportation: O'Hare International Airport is the second-busiest airport in the world when measured by aircraft traffic; the region also has the largest number of U.S. highways and rail road freight.

## Chicago Facts and Statistics

- Nearly 40 million people visit Chicago annually.
- Chicago was incorporated as a city in 1837.
- Chicago’s nicknames include: The Windy City, the City of Big Shoulders, the Second City, and The City That Works.
- The "Historic Route 66" begins in Chicago at Grant Park on Adams Street in front of the Art Institute of Chicago.
- The Chicagoland area contains nearly 10 million people in three states – Illinois, Wisconsin and Indiana – and is the 22nd largest metropolitan area in the world.
- Chicago is home to eleven Fortune 500 companies, while the rest of the metropolitan area hosts an additional 21 Fortune 500 companies.
- McCormick Place, Chicago’s premier convention center, offers the largest amount of exhibition space in North America (2.2 million square feet).
- The first Ferris wheel made its debut in Chicago at the 1893 World's Columbian Exposition. Today, Navy Pier is home to a 15-story Ferris wheel, modeled after the original one.
- Chicago’s downtown area is known as “The Loop.” The nickname refers to the area encircled by the elevated (‘L’) train tracks.
