Past Conference Report

Thank you to everyone for their participation in the World Food Science &Technology Congress which took place at Athens, Greece during October 15-16, 2018. The analysis of the conference evaluation forms shows that the event was very well received as a valuable and stimulating. Most of the delegates who completed the conference evaluation forms rated the conference as excellent or very good. The conference was initiated with the Honorable presence of the keynote The choice of venue was also very popular with the delegates: the majority rated the convenience of the location, its comfort and facilities and the catering as excellent. Of course, an enormous amount of effort goes into planning a conference such as this, and we owe thanks to all involved. First, we are very grateful to the conference sponsors. A special vote thanks is due to our speakers, moderators, chairs, student rapporteurs, for their contributions on the day, as well as the hard work devoted to preparing for their roles. We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support and assistance towards the success of Food Science 2019
