## About the conference

Conference Series LLC Ltd is pleased to welcome you to the 7th International Conference on Forensic Psychology and Criminology which is to be held on May 24-25, 2022 Webinar. This event is particularly an Innovatory and stimulating meeting which provides a cutting-edge information on two subjects particularly that is Psychology and Criminology. This stage provides an opportunity to everyone to get the idea about the recent advancements in the field of Psychology and Criminology. It gives a great chance to exchange or share ideas and establish a collaboration amongst the eminent people across the globe and provided B2B networking.

A very warm welcome to the 7th Annual International Forensic Psychology and Criminology Conference. The field of forensic psychology continues to attract interest and is one of the fasting growing academic majors in colleges and universities around the world. Forensic Psychology and Criminology provide theories for understanding sometimes horrific forms of human behavior, behavior that oftentimes defies logic. This conference provides unique opportunities to engage with professionals in academia and practice who will contribute their expertise to this ever evolving field of study.

**Theme:** "Revitalizing Insights into Emerging Trends in Research, Law & Criminal Policy"

## Why to attend the conference

- Stay Ahead of Trends: Discover the latest research and methodologies in forensic assessment, criminal profiling, behavioral analysis, and courtroom psychology.
- Global Networking: Connect with psychologists, criminologists, law enforcement officials, legal professionals, and academics from around the world.
- Interdisciplinary Insight: Gain a comprehensive understanding of how psychology intersects with justice, public policy, and social work.
- Case Studies & Workshops: Participate in interactive sessions and real-world case discussions that bridge theory and practice.
