About the conference

Welcome to the 12th International Conference on Geriatric Cardiology, Cardiovascular Diseases, and Palliative Care

October 22-23, 2025 | Paris, France

It is with great pleasure that we welcome you to this pivotal gathering of healthcare professionals, researchers, and advocates dedicated to advancing the field of geriatric cardiology. Over the next two days, we come together with a shared commitment: to improve cardiovascular health and enhance the quality of life for older adults worldwide.

As we navigate one of the most profound demographic shifts of our time, the aging population presents both challenges and opportunities in cardiovascular care. This conference provides a vital platform to explore innovative solutions, share cutting-edge research, and foster meaningful collaborations that address these unique needs.

Our dynamic program includes keynote addresses from esteemed global experts, groundbreaking research presentations, interactive workshops, and opportunities to connect with peers from around the world. Whether you are a seasoned cardiologist, a geriatric care specialist, a researcher, or a healthcare policy advocate, your presence and insights are instrumental in shaping the future of geriatric cardiology.

Theme: "Elevating Elderly Hearts: Advancing Geriatric Cardiology, Cardiovascular Diseases, and Palliative Care Together".
