INVITATION

Dear Attendees,

We are thrilled to announce the 5th International Congress on Geriatrics and Gerontology, scheduled for March 10-11, 2025, in Paris, France.

This prestigious event is organized by GERIATRICS SUMMIT 2025, supported by enthusiastic academicians and dedicated members of our editorial board.

Our congress will focus on the theme "Pioneering Aging Research and Care," aiming to explore the latest advancements and challenges in geriatric care, aging research, and eldercare practices.

We invite an array of participants, including speakers, healthcare professionals, researchers, medical and nursing students, and exhibitors, to engage in meaningful discussions and knowledge exchange.

This congress offers a unique opportunity for attendees to share innovative ideas, collaborate across disciplines, and contribute to shaping the future of geriatric care and aging research. It promises to be an enriching experience filled with insightful presentations, networking opportunities, and interactive sessions.

Join us in Paris to be part of this vital dialogue on advancing geriatric care. We look forward to welcoming you to an inspiring and transformative congress!

Sincerely,
GERIATRICS SUMMIT 2025

ABOUT VENUE

CITY ATTRACTIONS

Paris, the capital of France, is one of the most iconic cities in the world, renowned for its elegance, rich cultural heritage, and artistic influence. Known as the "City of Light," Paris offers a captivating mix of historical landmarks and modern attractions. Visitors can explore famous sites such as the Eiffel Tower, the Louvre Museum, and Notre-Dame Cathedral, alongside picturesque streets and charming neighborhoods like Montmartre and Le Marais.

The city is also a culinary paradise, celebrated for its exquisite cuisine, from gourmet restaurants to quaint bistros offering French delicacies like croissants, coq au vin, and crème brulee. Paris' iconic boulevards, bridges, and gardens, including the Champs-Elysees and the Luxembourg Gardens, create a timeless ambiance of romance and beauty.

As the venue for the 5th International Congress on Geriatrics and Gerontology, Paris provides an inspiring setting for intellectual and cultural exchange. Attendees will have the opportunity to experience both its historical grandeur and vibrant energy while participating in important discussions on the future of aging research and elder care.
