Program

Global Summit on

Oncology & Cancer

Theme: Redefining the Frontiers in Oncology Research

March 12-14, 2018 Singapore

Seating is Limited
Register Today!

Conference Secretariat
Conference Series
Kemp House, 152 City Road, London EC1V 2NX,
Phone: +44 800 098 8455
Fax: + 44 203 004 1517
Email: globalcancer@conferencesworld.org

Conference Highlights

- Oncology
- Cancer Cell Biology
- Cancer Epidemiology
- Haematology
- Cancer Causes and Prevention
- Cancer Diagnosis and Liquid Biopsies
- Cancer Treatment and Therapeutics
- Cancer :Types and Staging
- Cancer Biomarkers
- Cancer Pharmacology
- Gynaecologic Oncology
- Cancer Prognosis
- Oncology Nursing
- Cancer Immunology
- Anticancer Drugs and New Formulations
- Cancer Genomics
- Cancer Metabolomics and Proteomics
- Complementary and Alternative Medicine
- Oncology Case Reports

** Speaker Slots are Available **

Tentative Program

March 12-14, 2018
Registrations
Opening Ceremony
Introduction
Keynote Slots Available
Keynote Slots Available
Track 1 : Oncology
CHD1L Promotes Lineage Reversion of Hepatocellular Carcinoma through Open Chromatin for Key Developmental Transcription Factors
Characteristics and treatment outcomes of male breast cancer reported to Regional Cancer Centre, India.
Audit on completeness of Patient Assessment Forms at the Palliative Care Clinic of National Cancer Institute Maharagama
Track 2 : Cancer Cell Biology
Role of EGFR inhibitors in oral cancer cell migration
Effect of Prolactin receptor antagonist in different cancer models
Transketolase Regulates Dynamic Switch of Glucose Metabolism to Control Breast Cancer Cell Metastasis via α-KG
Transition metal complexes/organometallic compounds as anticancer/anti HIV drugs or in pharmaceutical industry
Track 3 : Cancer Epidemiology
Clinico-demographic profile of colorectal cancer patients in National Cancer Institute of Sabratha –Libya.
Track 4 : Haematology
Activation of FcγR-dependent responses to therapeutic antibodies by Nurse Like cells requires PI3Kδ
Track 5 : Cancer Causes and Prevention
Attitude and Barriers of Community Pharmacists towards Cancer Health Promotion: A Systematic Review
Track 6 : Cancer Diagnosis and Liquid Biopsies
Quality Control in a Molecular Diagnostic Laboratory
Investigation Of Production Routes And Production Cross Sections Of Non-Standard Pet Radionuclides
Track 7 : Cancer Treatment and Therapeutics
Breast cancer-targeted delivery of BRCA1 and BRCA2 tumor suppressor genes using carbonate apatite inorganic nanoparticles
Fish oil as chemosensitizer: Targeting onset of drug resistance in colon cancer cells.
The Potential Role and Mechanism of STAT3 in Acquired Resistance to EGFR TKI in lung adenocarcinoma with EGFR mutation
Development of bio-functional inorganic nanoparticles for efficient delivery of siRNA, therapeutic gene and anticancer drug to breast cancer cells
Metastasectomy and systemic targeted therapy in renal cell carcinoma
Brain Metastases: post-whole brain radiotherapy systemic treatment increases survival
The novel Aryl hydrocarbon receptor inhibitor Honokoil inhibits epithelial-tomesenchymal transition and peritoneal dissemination by regulating Calpain-10
Track 8 : Cancer: Types and Staging
Track 9 : Cancer Biomarkers
The proteins of retinoblastoma pahthway, FEN1 and MGMT are novel potential prognostic biomarkers in pancreatic adenocarcinoma.
Novel Autoantibody Signatures in Plasma Exosomes as Potential Biomarkers for Diagnostics and Prognosis of Non-Small-Cell Lung Cancer

Track 10 : Cancer Pharmacology
PKC-δ phosphorylation of p62 is essential for VPS34-dependent Breast Cancer Progression
Abrogation of LBH589-induced Autolysosome Maturation by Mevastatin Promotes Cell Death in Triple-Negative Breast Cancer Cells
Track 11 : Gynaecologic Oncology
Adjuvant hysterectomy after chemo radiation for residual disease of cancer cervix
Track 12 : Cancer Prognosis
Ligand-independent EGFR overexpression correlates with poor prognosis in colorectal cancer
Track 13 : Oncology Nursing
The Effect of Empowerment Program to Caregivers of Children with Cancer Undergoing Chemotherapy on Their Adherence to Preventive Health Recommendations Oral Ulcer
Effect of empowerment of mothers of children with cancer undergoing chemotherapy in injections GCSF to prevent infections in children
Track 14 : Cancer Immunology
Track 15 : Anticancer Drugs and New Formulations
Track 16 : Cancer Genomics
The Effect of Empowerment Program to Caregivers of Children with Cancer Undergoing Chemotherapy on Their Adherence to Preventive Health Recommendations Oral Ulcer
Track 17 : Cancer Metabolomics and Proteomics
Potential of Recombinant Protein in different cancer
Novel effect of Acetyl-11-Keto- Boswellic acid (AKBA) on mitophagy-induced apopotosis using cellular proteomic profiling
Track 18 : Complementary and Alternative Medicine
Track 19 : Oncology Case Reports
Safety and Efficacy of Anti-PD1 Therapy in Patients with Viral Hepatitis – A Case Series
Merkel Cell Carcinoma in an 82-year-old Filipino Male: A Case Report and Literature Review
Speaker slots available

Note: Tentative Program has been designed with the projected Speakers Names and Titles
Program schedule is subject to change with final allotment of speaker slots.

Why to Attend???

With people from around the world focused on getting some answers concerning Oncology and Cancer; this is your most obvious opportunity to accomplish the greatest cluster of individuals from the Cancer people group, Oncology Society, European Oncology Conferences. Coordinate presentations, disperse information, meet with present and potential specialists, make a sprinkle with new pharmaceutical progressions, and get name affirmation at this three days event. Broadly acclaimed speakers, the most recent systems, changes, and the most a la mode invigorates in Oncology are indications of this meeting.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures
   - Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
   - Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing five minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.
2. Oral Sessions
   - Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/discussion at the end of the presentation.

Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS.

A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

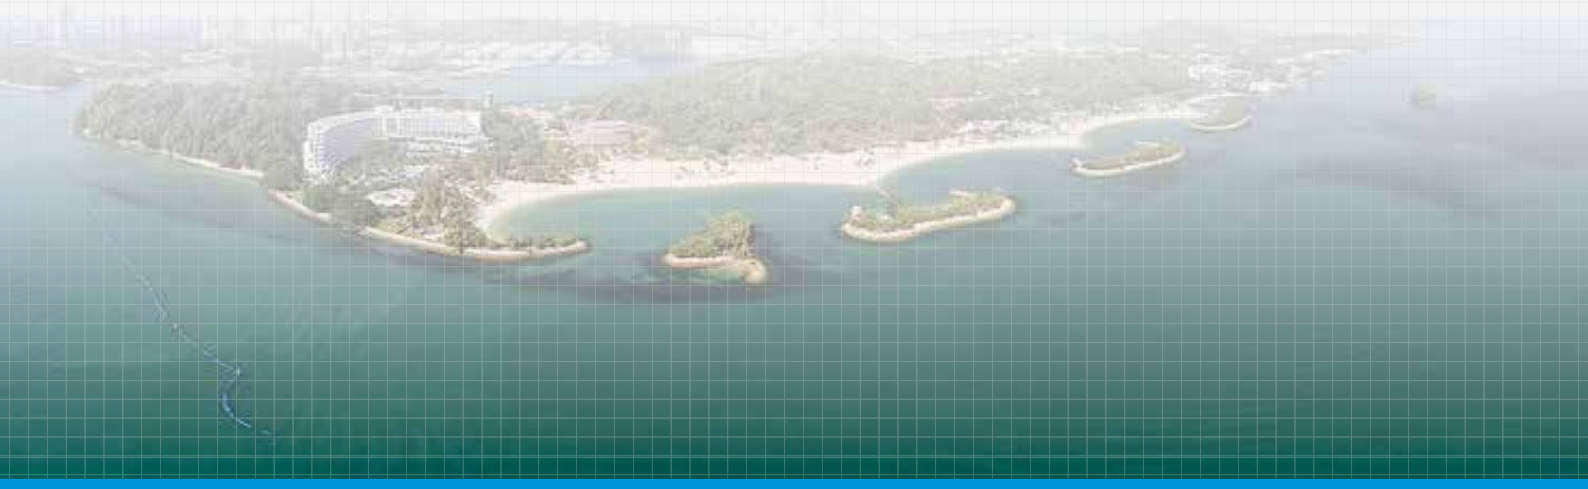

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

For further information please contact: globalcancer@conferencesworld.org

Registration Information

How To Register

Website: https://globalcancer.conferenceseries.com/registration.php

Registration Fees

- Regular registration fee: $899
- Late registration fee: $999
- Discounts on Group Registrations
- Student Registration: $399
- Late registration fee :$499
- Young Researchers Forum Fee: 549$
- Late registration fee :$649

Cancellation Policy

Cancellations must be received in writing 60 days prior to the meeting and are subject to a $100 processing fee. Refunds will not be granted after January 12, 2018, nor will they be given for no-shows. Please email cancellations to globalcancer@conferencesworld.org

Accommodations

Holiday Inn
Singapore, 169075

To make reservations and ensure that you will have a hotel room at the same location as the conference, please choose your package and register at https://globalcancer.conferenceseries.com/registration.php

Payments

We accept Visa, Master Card, American Express and checks. If paying by credit card, please utilize our online registration site located at https://globalcancer.conferenceseries.com/registration.php

If you wish to pay by check, please contact globalcancer@conferencesworld.org

Tentative Agenda

MARCH 12, 2018

Time	Session
08:30-09:00	Registrations
09:00-11:00	Keynote Forum
11:00-11:15	Group Photo
11:15-11:30	Network & Refreshments Break*
11:30-13:00	Sessions: Oncology | Cancer Cell Biology |Cancer Epidemiology
13:00-14:00	Lunch Break**
15:30-15:45	Network & Refreshments Break*
15:45-17:15	Sessions: Cancer Treatment and Therapeutics | Cancer :Types and Staging | Cancer Biomarkers

Day Concludes

MARCH 13, 2018

Time	Session
08:30-09:00	Registrations
09:00-11:00	Keynote Forum
11:00-11:15	Network & Refreshments Break*
11:15-12:45	Sessions: Cancer Pharmacology |Gynaecologic Oncology | Cancer Prognosis
12:45-13:45	Lunch Break**
13:45-15:15	Sessions : Oncology Nursing | Cancer Immunology | Anticancer Drugs and New Formulations
15:15-15:30	Network & Refreshments Break*
15:30-17:00	Sessions: Cancer Genomics | Cancer Metabolomics and Proteomics| Complementary and Alternative Medicine | Oncology Case Reports
17:00-18:30	Poster Presentations

Day Concludes

MARCH 14, 2018

Time	Session
10:00-11:00	B2B Networking
11:00-11:15	Network & Refreshments Break*
11:15-12:45	B2B Networking
12:45-14:00	Lunch Break**
14:00-16:00	B2B Networking

Award Ceremony

Conference Concludes

Glimpses of Oncology & Cancer

Plan your Trip to Singapore

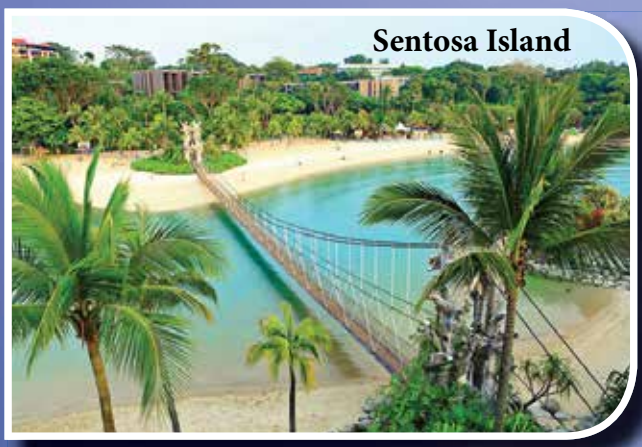

About Singapore

SINGAPORE, known as "the LION city," becomes a favorite destination because it is a global city and is a densely populated island with tropical flora, parks and gardens. Singapore is a global commerce, finance and transport hub.

Singapore is considered as an important center for higher education and harbors, healthcare, well reputed and prestigious colleges and Universities. Singapore conferences indeed play a vital role in promoting scientific information and ideas all over the world. It can be considered as a suitable medium for the relocation of valuable knowledge about research and novel advancements worldwide. The conferences taking part here would promote a variety of scientific ideas among contenders belonging to diverse areas of science and technology.

Apart from this, Singapore has been set aside for parks and natural reserves. The network of natural reserves, parks, park connectors, natural ways, tree-lined roads and other natural areas have enhanced the sense of green space in the city which will keep you busy for weeks. Singapore has a tropical rainforest climate with no distinctive seasons, uniform temperature, pressure, high humidity and abundant rainfall. Sentosa, Singapore Flyer, Universal Studios Singapore, Night Safari Singapore, Singapore Botanic Gardens, Jurong Bird Park, Singapore Zoo, Sri Mariamman Temple, Pulau Hantu famous for its rich coral reefs and Peranakan Museum are some of the points of interest in Singapore. A splendid location, life expectancy, quality of life, personal safety and housing that is unsurpassed for its livability makes Singapore a city to visit and remember.
