WELCOME ADDRESS

Dear Attendees,

The Global Nursing 2026 Organizing Committee is absolutely delighted to welcome you to the **33rd Global Nursing and Healthcare Congress** which will be held in **London, UK** on **August 24-25, 2026,** where we will be shining a spotlight on *"Reinventing Global Care: Empowering Nursing Excellence Through Innovation, Compassion, and Future-Ready Healthcare"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Global Nursing. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The conference will be held in one of the world's most important global cities, London, UK, a leading international hub known for its strong influence in healthcare, research, and innovation. The Global Nursing Conference brings together individuals with interests in diverse fields of nursing, including psychiatric, cancer, cardiac, critical care, adult and women's health, legal, paediatric, and emergency nursing, as well as midwifery, public health, healthcare, and medicine. Participants from practice, research, administration, policy, and education will gather on a common platform. This conference serves as a forum to explore issues of mutual concern, exchange knowledge, share evidence and ideas, and generate effective solutions for advancing global healthcare.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
Global Nursing 2026
Organizing Committee

ABOUT US

Goals & Objectives

- The Global Nursing 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Global Nursing, Control & Prevention.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Infectious Diseases.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

33rd Global Nursing and Healthcare Congress is among the World's leading Scientific Conference. The two day event on Global Nursing will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging infectious diseases & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Global Nursing which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Global Nursing.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Conference. This Conference on Global Nursing provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Global Nursing 2026**.

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT LONDON

London, the capital of United Kingdom, dates back to Roman times when it was founded as Londinium. The city's rich history is reflected in its iconic landmarks, including the Tower of London, a historic castle with deep royal significance, and Westminster Abbey, the site of British coronations. The Big Ben and the Houses of Parliament stand as enduring symbols of the nation's political heritage. London is one of the most iconic cities in Europe. Established over two millennia ago, it has evolved into a global metropolis that seamlessly blends history, culture, and modern innovation. The city is renowned for its diverse arts scene, world-class museums, and vibrant cultural life, alongside contemporary architectural marvels like The Shard. From the bustling Trafalgar Square, a hub of cultural and social activity, to the historic Buckingham Palace, the official residence of the British monarch, London offers a remarkable journey through time. With its rich heritage, dynamic atmosphere, and continuous evolution, London remains one of the most sought-after destinations in the world, inviting visitors to explore its fascinating blend of tradition and modernity.
