April 27-28, 2017 // Las Vegas, USA

19th Global Nursing Education Conference

Las Vegas, USA

April 27-28, 2017

globalnursingeducation@nursingconference.com

Invitation

Dear Attendees,

Global Nursing Education 2017 welcomes you to attend **19th Global Nursing Education Conference 2017** which is scheduled during **April 27-28, 2017 Las Vegas, USA**.

Theme of the congress is **"Current Challenges and Innovations in Nursing Education"**. We cordially invite all the participants who are interested in sharing their knowledge and techniques in the arena of Nursing Education.

Global Nursing Education 2017 conference features nursing professionals from across the world who shares their desire for advanced education in nursing field. It assembles nursing professionals for two info-packed days that will help them raise and excel in their role. It provides an opportunity to have discussions on the important issues in nursing today. This meeting offers a pivotal platform to explore outstanding strategies in nursing and healthcare, thereby creating leaders in clinical sector.

Global Nursing Education 2017 anticipates more than 500 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Experts. The intending participants can confirm their participation by registering for the conference along with your colleagues.

We look forward to personally welcoming you to **Las Vegas** this April

Sincerely,

Global Nursing Education 2017

About Las Vegas

Las Vegas is the 29th-most famous tourism welcoming city in the United States. It is one of the well-known American West city to have been established in the twentieth century, it has been developed from a modest, desert-bound railroad administration focus at the start of the twentieth century to the nation's quickest developing megalopolis at century's end, with a populace of 2,027,828 roughly. It is Nevada's monetary focus and biggest city. Las Vegas is a position of million-light signs and lavish design, of promptly obvious riches. Fantastic Canyon or Yellow stone national park is one of the main get-away destinations. Las Vegas' noteworthy centre lies at a site once possessed by swamps, freshwater springs, and verdant knolls. The old downtown at the focal point of the city running exactly 4 miles (6 km) toward the southwest, where the city's most gaudy and sumptuous lodgings, gambling clubs, and eateries were constructed. Today, the city is a universal centre for account, trade, industry, innovation, information transfers, and transportation. The city experiences itself as "The Entertainment Capital of the World", and is acclaimed for its mega casino–hotels and related stimulation. This city is one of the main three driving destinations in the United States for traditions, business, and gatherings. Likewise, the city's metropolitan territory has more AAA Five Diamond lodgings than whatever other city on the planet, and is a worldwide pioneer in the friendliness business.
