GLOBAL WARMING-2020

9th International Summit on

GLOBAL WARMING AND ENVIRONMENTAL SCIENCE

August 10-11, 2020 | Stockholm, Sweden

https://globalwarming.conferenceseries.com/

Invitation

Dear Collegues,

Conference Series LLC Ltd. is delighted to welcome you to Stockholm, Sweden for **Global Warming-2020**.

The conference will focus on "**Global Warming and Planning the Sustainable future**''. We are confident that you will enjoy the scientific sessions of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Global Warming to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Stockholm, Sweden this August

Sincerely,
Global Warming-2020
Organizing Committee

What is Global Warming-2020 ?

Global Warming-2020 welcomes all the attendees, speakers, sponsor's and other research expertise from all over the world to the **"9th International Summit on Global Warming and Environmental Science"** which is going to be held during August 10-11, 2020 in Stockholm, Sweden.

The scientific event offers a best platform with its well organized scientific program to the audience which has prompt keynote presentations, Oral talks, Poster presentations, workshops and networking opportunities around a core of plenary and concurrent sessions based on essential topics like Global Warming & Climate Change, Greenhouse Effect, NASA's Earth Observing System, Atmospheric Chemistry, Pollution Control, Ecology & Ecosystems, Recycling & Re use, Deforestation, Natural Hazards, Fossil Fuels and Energy, Environmental Toxicology, Renewable Energy Resources, Sustainability, Environmental Engineering, Agriculture & Food Security, Plant Science and Biotechnology, Environmental Geology, Green Chemistry, CO2 Capture and Sequestration, Biodiversity Conservation, Energy Conservation, Waste Management And Treatment, Soil Science,Hydrology And Water Resources, Oceanography and Marine Biology.

The fundamental subject of Global Warming-2020 is **"Global Warming and Planning the Sustainable future"**. This unique chance that we have a tendency to reach our speakers and attendees is not being offered by the other conference organizers. Through this the abstracts and analysis profiles of our speakers and organizing committee members obtaining world visibility that is a further feature that you just would be receiving additionally to networking opportunities before, during and after the conference.t

Why to attend?

Global Warming Conferences provides a worldwide stage to creative thoughts and make us feel great about the most recent advancements in controlling pollution. Conduct demonstrations, distribute information, meet with current and attainable scientists, Networking events and receive name recognition at this 2-day event. Chance to listen the introductions conveyed by Eminent Scientists from everywhere throughout the world.

Who Will Attend?

Environmental science Students, Environmental Researchers, Climatologist, Environmental science Professors and Faculty, Ecologists, Global Warming Associations and Societies, Environmental engineers, Waste Management researchers, Environmental Companies, Young Research Forum, Environmental entrepreneurs.

Major Sessions

Global Warming & Climate Change
Greenhouse Effect
NASA's Earth Observing System
Atmospheric Chemistry
Pollution Control
Ecology & Ecosystems
Recycling & Re use
Deforestation
Natural Hazards
Fossil Fuels and Energy
Environmental Toxicology
Renewable Energy Resources
Sustainability
Environmental Engineering
Agriculture & Food Security
Plant Science and Biotechnology
Environmental Geology
Green Chemistry
CO2 Capture and Sequestration
Biodiversity Conservation
Energy Conservation
Waste Management And Treatment
Soil Science
Hydrology And Water Resources
Oceanography and Marine Biology

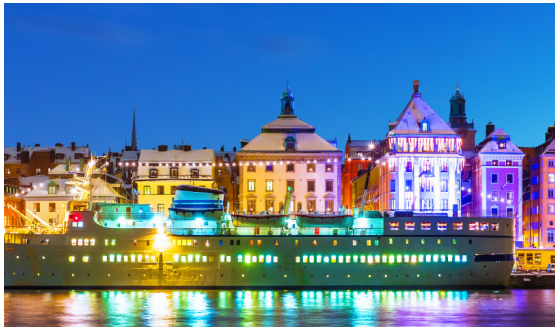

Supporting Journals

Journal of Environmental & Analytical Toxicology
Journal of Earth Science & Climatic Change
Environment Pollution and Climate Change
Journal of Pollution Effects & Control

Host City

Stockholm, the capital of Sweden, encompasses 14 islands and more than 50 bridges on an extensive Baltic Sea archipelago. The cobblestone streets and ochre-colored buildings of Gamla Stan (the old town) are home to the 13th-century Storkyrkan Cathedral, the Kungliga Slottet Royal Palace and the Nobel Museum, which focuses on the Nobel Prize. Ferries and sightseeing boats shuttle passengers between the islands.Stockholm is often considered the "shopping capital of the North" and is, of course, known for modern Scandinavian design. Nowadays, Swedish homes are synonymous with Ikea, which helped several great furniture & accessories designersStockholm, Sweden's biggest city, offers travelers and locals a wide range of enjoyable activities. One of the most charming capitals in Europe, Stockholm has everything from an island filled with museums and historic monuments to cool neighborhoods with cafés, flea markets, and funky shops to a great arts scene even visible in many subway stations. Visitors will have a chance for once-in-a-lifetime moments like watching the Royal Palace's changing of the guard and touring the 600-room palace, or soaking up the nightlife at a bar made of ice, serving drinks in glasses also created with ice

Stockholm, one of the most beautiful capitals in the world, is built on 14 islands connected by 57 bridges. The beautiful buildings, the greenery, the fresh air and the proximity to the water are distinctive traits of this city.

Registrations

Chose your category of registration based on your profile and specialization.
Visit conference website for more details on discounts and offers.

Sponsorship and Exposure

Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.

Gold

- Two complimentary congress registrations
- One corporate sponsored workshop slot
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Logo recognition on congress website sponsorship page
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items

Exhibition

- One complimentary congress registration
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm)
