5th International Conference on Gynecology and Obstetrics

October 08-10, 2018
Hilton Zurich Airport, Zurich
Switzerland

SCIENTIFIC PROGRAM

DAY 1
Monday, 08th October

08:30-09:00 **Registrations**

09:00-09:30 **Introduction**

09:30-09:50 COFFEE BREAK

09:50-11:50 Meeting Hall 01 **KEYNOTE LECTURES**

11:50-13:10

MEETING HALL 01	MEETING HALL 02
Talks On: Gynecology and Obstetrics	**Talks On:** Midwifery
Contraception	Midwifery Care
Pregnancy Care and Delivery	Midwifery in Low Income Countries
Recent Advances in Gynecology	Recent Developments in Midwifery Research
Physiology of Menstruation and Ovulation	Midwifery in Multi-Ethnic Community

13:10-13:15 GROUP PHOTO

13:15-14:00 LUNCH BREAK

14:00-16:00

MEETING HALL 01	MEETING HALL 02
Talks On: Maternal Fetal Medicine	**Talks On:** Uro- Gynecology
Pre-Pregnancy Underweight and Fetal Growth	Gynecologic and Urology Surgery
Pregnancy Termination Practice	Complications in Endoscopic Surgery
Signalling, Status and Inequities in Maternal Healthcare	Management of the Ureter During Pelvic Surgery
Body Mass Index (BMI) Guidelines for Fertility Treatment	Urinary Incontinence and Interstitial Cystitis
Maternal Fetal Medicine Practice & Procedures	Vaginal Agenesis and Vesicovaginal Fistulas
Fetal Blood Sampling	

16:00-16:20 COFFEE BREAK

MEETING HALL 01 (16:20-17:00)	MEETING HALL 01 (17:00-18:00)
Young Researchers in Gynecology and Obstetrics	Workshop

DAY 2
Tuesday, 09th October

09:00-10:30 Meeting Hall 01 — **KEYNOTE LECTURES**

10:30-10:50 COFFEE BREAK

10:50-12:50	MEETING HALL 01	MEETING HALL 02
	Talks On: Gynecological Endocrinology	**Talks On: Gynecological Oncology**
	Fetal-Placental Neuroendocrine Development	Radiation Therapy for Gynecologic Cancers
	Paediatric and Adolescent Gynecology	Palliative Care in Gynecological Oncology
	Pregnancy and Diabetes	Oncology Scan – Gynecological Cancers
	Neuroendocrinology of Reproduction	Ovarian and Cervical Oncology
	Reproductive Endocrinology	Fibroids and Breast Oncology

12:50-13:35 LUNCH BREAK

13:35-15:55	MEETING HALL 01	MEETING HALL 02
	Talks On: Reproductive Medicine	**Talks On: Prenatal Diagnosis**
	Neuroendocrinology of Reproduction	Prenatal Diagnosis Process
	Regenerative Medicine and Their Application	Advanced Techniques for Prenatal Diagnosis
	Personalized Reproductive Medicine	Prenatal Diagnosis, Molecular Genetic Analysis
	Biomarkers in Reproductive Medicine	Advanced Techniques for Prenatal Diagnosis
	Reproductive Cloning	Detection and Prevention of Congenital Anomalies
	Hysteroscopy Prior to Assisted Reproductive Technique	
	Hysteroscopy Prior to Assisted Reproductive Technique	

15:55-16:15 COFFEE BREAK

MEETING HALL 01 (16:15-17:00)	MEETING HALL 01 (17:00-18:00)
Poster Presentations	Workshop

DAY 3
Wednesday, 10th October

09:00-10:30 Meeting Hall 01 — **KEYNOTE LECTURES**

10:30-10:50 COFFEE BREAK

10:50-12:50

MEETING HALL 01	MEETING HALL 02
Talks On: Family Planning	**Talks On:** Menopause
Family Planning - Evaluation of Weight and Blood Pressure	Age at Menopause
Advanced Methods in Family Planning	Pelvic Floor Dysfunction
Teenage Pregnancy	Premature Menopause
Post-Abortion Family Planning	The Immune System in Menopause
Age at Menopause	Metabolic Transitions at Menopause
Contraceptive vs Family planning	Management of Menopouse

12:50-13:35 LUNCH BREAK

13:35-15:55

MEETING HALL 01	MEETING HALL 02
Talks On: Infertility	**Talks On:** Health-Related Behaviours In Women
Infertility Evaluation and Treatment Among Women	Vaginal Cancer
Tubal Infertility and Ectopic Pregnancy	Physical Activity in Women
Obesity & Surgical Management of Infertility	Alcohol Use and Alcohol Problems in Women
Artificial Gametes and Ovarian Stimulation	Eating Disorders in Women: Current Issues and Diabates
Risk of Idiopathic Male Infertility	Behavioural Changes in Women During Menopause
Infertility Evaluation and Management	Psychology of Women during Pregnancy

15:55-16:15 COFFEE BREAK

MEETING HALL 01 (16:15-17:00)	MEETING HALL 01 (17:00-18:00)
Young Researchers in Gynecology and Obstetrics	Workshop

Awards & Closing Ceremony

Organizing Committee Members

Dr. Wassil Nowicky
Director of Nowicky Pharma
Austria

Prof Liane Deligdisch
The Mount Sinai Icahn School of Medicine, New York, USA

Michael J Sinosich
Scientific Director
SONIC HEALTHCARE
Australia

Dr. Samir A Farghaly
Obstetrics and Gynecology Cornell University

Song-Nan Chow
Professor
National Taiwan University
Taiwan

Jian Junli
Professor
university of China
China

Mrs Staderini Nelly
Publich health profesional
Medecins Sans Frontieres
Switzerland, Geneva, Switzerland

Olena Grechanina
Professor
Kharkiv Specialized Medical And Genetic Center, Ukraine

Rebecca Marie Kimble
Professor
University of Queensland
Australia

Radhouane Achour
Professor
Emergency Department of Maternity and Neonatology Center, Tunisia

Fusun Terzioglu
Professor
Hacettepe University, Turkey
Turkey

Dr. Gopa Chowdhury
Professor
Prof, Obstetrics & Gynaecology, MD, FICOG, India

Title: EFFECTS OF HORMONE THERAPY ON THE UTERUS

Liane Deligdisch
Mount Sinai Icahn School of Medicine, New York, NY- USA

Liane Deligdisch MD graduated from Medical School in Bucharest, Romania, trained in Obstetrics- Gynecology and Pathology in Israel where she became an Associate Professor of Pathology at the Tel Aviv Medical School. In the USA she was a Visiting Professor at the Magee Women's Hospital in Pittsburgh, Pa and trained in Gynecologic Pathology at the Boston Free Hospital for Women (Harvard Medical School) and in Perinatal Pathology at The Mount Sinai School of Medicine in New York, N.Y. where she is an Attending and tenured full Professor since 1986. She founded the Division of Gynecologic Pathology and the Course of Gynecologic Pathology at the Medical School of the Mount Sinai Medical Center. She has published 148 peer-reviewed articles of which numerous studies on uterine pathology related to hormonal effects and carcinogenesis, and on ovarian pathology. Ovarian dysplasia including histopathologic, morphometric and immunohistologic/molecular changes was first described by Dr. Deligdisch and team. She has edited and authored 7 textbooks on Gynecologic Pathology including child and adolescent disorders, early diagnosis of gynaecologic malignance, uterine and ovarian neoplasms. She gave numerous courses and lectures at national and international meetings, received awards and in 2007 became an elected member of the French National Academy of Medicine.

Title: Placental Growth factor (PlGF) in First Trimester Aneuploid Pregnancies

Dr Michael Sinosich
SONIC HEALTHCARE
Australia

MJ Sinosich completed PhD on trophoblast physiology and PAPP-A. Research interest remains on Non-invasive assessment of feto-maternal wellbeing. He is the director of Prenatal Testing (DHM Pathology) and serves as consultant to Pictor Ltd, a developer and manufacturer of multiplexed micro ELISA assay platform. He has published / presented numerous papers in reputed journals and is holder of several patents.

Title: Gynecological Cancers Effects and Treatment

Dr. Samir Farghaly
Obstetrics and Gynecology
Cornell University, USA

Samir A Farghaly is a Physician/Scientist, and faculty member of the Medical College of Cornell University and The New York Presbyterian Hospital /Cornell University Medical Center, New York, NY, USA. He received his M.D Degree from University College London University (1985), and his PhD Degree in molecular biology from London University (1993). He received several clinical and research awards. He has been an invited speaker in several national and international conferences on cancer. He is a member of several national and international societies, organization and foundation of cancer and women health. He is an editor, member of editorial boards and reviewers of several medical journals of Oncology, Gynecology and Gynecological Cancers. He has published 74 articles. He is an editor of a book on ovarian cancer.

Title: Anti-GnRH Receptor Monoclonal Antibodies Are Long Acting Biosimilar GnRH Antagonists

Song - Nan Chow
Professor
National Taiwan University
Taiwan

Dr. Song-Nan Chow graduated from College of Medicine, National Taiwan University (NTU) in 1968(M.D.). He also got Ph.D. from Graduate Institute of Clinical Medicine, National Taiwan University in 1983. Dr. Chow served an internship at Maimonides Medical Center, New York City, USA during 1972-1973. He was a senior investigator in University of British Columbia, Vancouver, Canada and Eastern Virginia Medical School, Norfolk, USA during March 1984 to August 1984. Dr. Chow served as Professor and Head in Department of Obstetrics & Gynecology, College of Medicine and the Hospital of NTU from 1999 to 2005. Dr. Chow was the Principal Investigator of International HPV-008 Cervical Cancer Vaccine Trial (PATRICIA) during 2004-2010 at National Taiwan University Hospital, Taipei, Taiwan. Professor Chow got a patent of ovarian cancer biomarker from USA & Taiwan in early of 21st century.

Title: The experience of preconceptional care, prenatal programming, prenatal foetal education, neonatal screening and pre- and postnatal specifying diagnosis as a consistent system of preventive care of an inborn inherited pathology

Prof Olena Grechanina
Professor
KHARKIV SPECIALIZED MEDICAL AND GENETIC CENTER
Ukraine

Olena Grechanina has completed her PhD at the age of 24 years from National Medical University (the Department of General Medicine) and postdoctoral studies from National Medical University (the Department of Obstetrics and Gynecology). She is the General Director of Kharkiv Interregional Specialized Medical Genetic Center – Center of Rare (Orphan) Diseases, the Member-Correspondent of National Academy of Medical Sciences, Professor of The Department of Medical Genetics

Title: Management of Reproductive Outflow Track Disorders

Rebecca Marie Kimble
Professor
University of Queensland
Australia

Director Statewide Paediatric and Adolescent Gynecology Services Royal Brisbane & Women's Hospital and Lady Cilento Children's Hospital. Chair Queensland Maternity and Neonatal Clinical Network (2010- current) Founder & Director Queensland Clinical Guidelines (2008-current) Pre-Eminent Staff Specialist Obstetrics and Gynecology RBWH Independent Health Advisor Commonwealth Department of Immigration and Border Protection and the Australian Border Force

Title: Clinical Risk Management in Obstetrics

Dr. Gopa Chowdhury
Professor
Prof, Obstetrics & Gynaecology, MD, FICOG
India

Dr Gopa Chowdhury, Rtd. Associate Prof, Obstetrics & Gynaecology, MD, FICOG, has her expertise in different areas of Gynecology and Obstetrics and is passionate about spreading her knowledge through papers, articles, Knowledge sessions and her work with patients in the rural region of Jharkhand. She is an Executive member of ROGS and has held different positions as Speaker, Panelist, Chair-person in ROGS and National conferences. Dr Gopa was also the Vice President – FOGSI ROGS (Ranchi Obst, & Gynae Society); 2013-2015 and is an ongoing active member of the group. Besides her work as Associate Prof., she Several Papers published in State, National, International Journals and has been an active participant in CMEs, Conferences (State, National, International): FIGO-SAFOG, RCOG, FIGO, AOCOG, SICOG (research paper presentation), National-YUVA- FOGSI, AICOG as delegate and faculty

Title: Infertility and Donor Conception: Pregnancy is Just the Beginning!

Wendy Kramer
Donor Sibling Registry,
Colorado USA

Wendy has co-authored 25 papers on donor-conception in Social Science and Medicine, Human Reproduction, Reproductive Biomedicine & Society, Facts, Views & Vision in OB/GYN, Reproductive Biomedicine Online (RBM Online), Advances in Reproductive Sciences, Contemporary Perspectives in Family Research, Fertility and Sterility, The Journal of Family Issues, Children and Society, and The Journal of Law and the Biosciences

Title: Title: Retrospective Audit of Pregnancy Outcomes at an Assisted Reproduction Therapy (ART) Clinic in Singapore, in which Patients Routinely Receive Fertility

Tanja Faessler Moro
Virtus Fertility Centre, Singapore

Tanja S. Faessler-Moro is the founder of coachingconnectz, the first provider of specialized fertility coaching and counselling in Southeast Asia. She holds an executive master degree in IOP from Baruch College/City University of New York, and has contributed to two books on the topics of miscarriage, stillbirth and stress whilst on a fertility journey. She is currently co-developing a psychological intervention with special focus on the effect of stress in Asian women undergoing in-vitro fertilisation (IVF).

Title: Reducing Maternal Mortality through the prevention of unsafe abortion and their complication in Cameroon

Robert John LEKE
President FIGO, Cameroon

Prof Robert J.I. LEKE is an emeritus professor of gynecology and obstetrics. He has 40 years of teaching and practicing gyne/obst in universities. He graduated with specialized certificate in gyne-obst from University of Montreal in 1978 and also earned a fellow of the Royal College of Canada the same year. He has been teaching gyne-obst since 1978. He has been professor and head of gyne-obst in the University of Yde 1, dean of the School of health Sciences in the University of Montagne in Bagante and now Provost at the school of Health and Medical Sciences at the Catholic University of Bamenda in Kumbo.

Title: Further evidence of psychological factors underlying choice of elective caesarean delivery (ECD) by primigravidae

Nasrin Matinnia
University of Basel, Switzerland

Nasrin Matinnia have completed my PhD on 2014 from University Putra Malaysia and continued as a assistant professor in Department of Nursing, College of Basic Science, Hamedan Branch, Islamic Azad University.

Nasrin is the director of nursing group. She has published more than 19 papers in reputed journals and have been serving as a reviewer in some journals

Title: Maternité Alpine: Addressing the health needs of mothers, babies and their families in a remote rural area of the Swiss Alps. New opportunities for midwifery-led care models and for an evidence-based policy

Haueter Marianne

Management of the Birth-Center Simmental-Saanenland: Maternity Switzerland

Marianne Haueter, RN, RM, MSc has completed her Master of Science in Midwifery from Glasgow Caldedonian University UK and Sabine Graf, RM, MSc completed her Master of Science in Midwifery from Salzburg University of applied Science in Austria. Both are working over twenty years in different clinical and homebirth settings. In addition both are working as lectures, Marianne Haueter at the University of Applied Science in Bern and Sabine Graf as lecture for the Swiss Federation of Midwives.

Title: Management of pain after caesarean section and the maternal implications

Salam Hadid

Galilee Medical Center, Nahariya, Israel

Salam Hadid had completed her PhD from Haifa University. She is a pain coordinator nurse at Galilee medical center and lecturer at zefat academic college.

Title: Peer Support for Mothers with Postnatal Depression

Fiona Cust

Stafford University, UK

Fiona Cust is working as a faculty of health science in Stafford university, UK. She is specialized in women health nursing, midwifery nursing.

Title: Genetic Landscape of Endometriosis- New Insights from Genome-wide Analysis

Ie-Ming Shih
Johns Hopkins University
School of Medicine,
Baltimore, Maryland USA

Dr. Ie-Ming Shih is the Richard W. TeLinde Distinguished Professor (Endowed Chair) of Gynecologic Pathology and directs this inter-departmental research program at the Johns Hopkins Medical Institutions . He also co-directs the Breast and Ovarian Cancer Program at the Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins. Dr. Shih graduated from the Taipei Medical University in 1988 and obtained his Ph.D. from University of Pennsylvania in 1993. He is a gynecologic pathologist, trained and board-certified in anatomic pathology, having completed a clinical fellowship in gynecologic pathology followed by a cancer molecular genetics fellowship with Dr. Bert Vogelstein at Hopkins

Title: The Analysis of Caesarean Section Patients and their associated New-born Conditions as an Outlook of Fetomaternal Health in Indonesia

Iin Fadhilah Utami,
Faculty of Medicine
Hasanuddin University
Indonesia

Now I already 7th semester (end) for FK so busy preparing the same aja thesis now Alhamdulillah be Founder a college student name his Academy Mapres Unhas. Armed with the experience of the organization, I also finally able to realize this collaborative container to be able to print new maps in Unhas that can compete on a national scale later. Personal lifestyle: Hobby sports anyway jogging, I like light exercise, while still young should keep my health well let fit for the move. Especially yes? Hobby does write, read the book of all genres! Oh yes I like to read books but do not like to read novels. I do not know anyway, prefer to read a book that can love science so any field of science. Stream TED.com for added knowledge as well. Active also in Instagram, sometimes receive endorse hell but not program.

Title: Treatment Options for Symptom Relief in Women with Fibroids

Irene Lartey
Massachusetts College
of Pharmacy and Health Sciences
University, USA

Irene Lartey is currently a family nurse practitioner student at MCPHS university. She has completed her associate's degree in nursing education at quinsigamond community college in 2011 and completed her bachelor's degree in nursing education at Worcester stated university in 2015. She 7 years nursing work experience and member of the sigma theta tau international honor society of nursing.

Title: Targeting conserved broadly Neutralizing Epitopes within HIV-1 Envelope gp41 MPER as vaccine immunogens for seronegative partners of HIV-1 discordant couples

Karen Theres Santos Abalos

University of the Philippines, Philippine General Hospital, Ermita Manila, Philippines

Dr. Karen Abalos has completed medical degree in Doctor of Medicine at the University of the Philippines, Philippine General Hospital. She is presently a fourth year resident physical in training with the Department of Obstetrics and Gynecology at the Philippine General Hospital.

Title: Title: Quality of life in Pre and Postmenopausal Turkish and Polish Women

Sevgi ÖZKAN

Faculty of Health Science, Pamukkale University of Denizli/Turkey

Sevgi OZKAN has completed her master and PhD at the Ege University , Faculty of Nursing in İzmir. She became professor the department obstetric and gynecologic nursing in 2017. She is the dean of the nursing department at Faculty of Health Science in Pamukkale University. She has published more than 30 papers in reputed journals and has been serving as an board member of repute.

Title: Determinants of Survival of Cervical Cancer: A Hospital Based Study

Dr Rita Rani,

Mahavir Cancer Sansthan and Research Centre, Patna, Bihar, India

Dr Rita Rani has completed her medical graduation followed by post-graduation in Radiation Oncology. She is senior consultant in Radiation Oncology at Mahavir Cancer Sansthan and Reasearch Institute, Patna, India. She has special interest in Gynecologic Oncology and has extensive experience of more than 10 years in this field. She has more than 10 publications in reputed journals. She is also currently centre principal investigator for National Centre for Disease Informatics and Reseach, India

Title: Trend of caesarean deliveries in Egypt and its associated factors: evidence from national surveys, 2005–2014

Rami H. Al-Rifai
Institute of Public Health, Al-Ain,
United Arab Emirates

Rami Al-Rifai has completed his PhD from Tokyo Medical and Dental University and Postdoctoral studies from Weill Cornell Medical College in Qatar. He is an assistant professor of epidemiology at the UAE university. He has published more than 14 papers in in reputed journals.

Title: EFFECTIVENESS OF AWARENESS PROGRAMME ON KNOWLEDGE, ATTITUDE AND PRACTICES FOR EARLY DETECTION AND PREVENTION OF CERVICAL CANCER IN EDUCATED WOMEN

Pushpawati Thakur
Aiims Raipur,Chattisgarh,India

Dr Pushpawati Thakur is M.B.B.S,M.S (Obst & Gynae),Presently working as Associate Professor in department of Obst & Gynae. Aiims Raipur .

Title: Serum Adiponectin Level in Infertile Women with Polycystic Ovary Syndrome

Maher shams
Mansoura university Egypt

Dr maher has completed his MD from Mansoura University and postdoctoral studies from McGill university. He is the director fertility care unit, Mansoura university Egypt .

Title: A Review of Four Cases of Müllerian Duct Anomalies and The Need for Surgical Correction in Relation to Pregnancy Outcomes

Yeela Tomsis
Nursing school, Zefat academic college. Israel.

Yeela Tomsis had completed her Ph.D. from Haifa University. She is a lecturer and researcher at Nursing school, zefat academic college.

Title: Early-Stage Clear Cell Carcinoma Of The Cervix: A Case Report and Review of Literature

Kristine I. Alvaro,
University of the Philippines Manila-, Philippines

Kristine Alvaro is a senior resident trainee of Obstetrics and Gynecology from the Philippine General Hospital. She finished her Doctor of Medicine at the University of Santo Tomas Faculty of Medicine and Surgery and took her postgraduate internship at the Philippine General Hospital

A New Strategy In Nursing Education: From Hybrid Simulation To Clinical Practice

Fusun Terzioglu,
İstinye University, Istanbul, Turkey

She graduated in first place from Hacettepe University in 1989. She won the İhsan Dogramacı Superior Merit Award and Science Incentive Award. She earned her pilot's license from Republic of Turkey Ministry of Transport. She studied about counseling on assisted reproductive techniques at Liverpool Women's Hospital Reproductive Medicine Unit in United Kingdom on the British Council Research Scholarship. She earned a certificate in management and leadership in nursing. She is an active member of Thematic Network leadership work group. She studied as a research scholar at Kent State University College of Nursing in 2006 for 3 months

Title: A Review of Four Cases of Müllerian Duct Anomalies and The Need for Surgical Correction in Relation to Pregnancy

Ma. Camilla A. Fernandez, St. Luke's Medical Center, Quezon City, Philippines

Dr. Camilla Fernandez completed doctor of medicine degree at the age of 27 years old from University of the East Ramon Magsaysay Memorial Medical Center College of Medicine. She is currently a second year resident in Obstetrics and Gynecology in St. Luke's Medical Center, one of the leading medical centers in the Philippines.

Title: Missed appointments at maternal healthcare centres in Riyadh

Wdad Alanazy
Department of Public Health, Policy and Social Sciences, Swansea University, UK

Wdad Alanazy has three qualification degree, Bachelor degree from King Saud University in Saudi Arabia, then postgraduate midwifery diploma from Prince Sultan Medical City in Riyadh .Also she was completed her mater degree at the age of 30 years from King Saud University in Saudi Arabia and in the second year of PhD study in Swansea University in United Kingdom in nursing department. She is a lecturer in Majmaah University in Saudi Arabia. She was clinical director of maternity building in Prince Sultan Medical City in Riyadh.

Title: A RETROSPECTIVE COHORT STUDY ON THE RATE OF ONSET OF SPONTANEOUS LABOR PRIOR TO 39 WEEKS AGE

Stefani D. Dela Cruz,
The Medical City, Ortigas Avenue, Pasig City, Metro Manila, Philippines

Stefani D. Dela Cruz, MD-MBA has completed her Doctor of Medicine and Masters in Business Administration at the age of 25 from The Ateneo School of Medicine and Public Health in the Philippines. She is currently a resident in training from the Department of Obstetrics and Gynecology, The Medical City, Ortigas, Pasig City.

Titile: Treatment and understanding of Post Menopausal Anxiety

Shiroko Sokitch,
Heart to Heart
Medical Center, USA

MD/acupuncturist in Santa Rosa, CA for 25 years. Practicing a blend of Chinese and Western Medicine. Board Certified in medical Acupuncture as of 2013, pending IFMCP – Institute of Functional medicine certification 4/2018.

Title: Congenital deformities in babies of parents having interfamily and outside family marriages at a tertiary care hospital, Pakistan

Prof. Dr. Seema N. Mumtaz
Tibri medical college,
Karachi,
Pakistan

Prof. and Chairperson, Dept. of CHS. United medical & dental college, Karachi. Prof. and HOD, Dept. of CHS. Al – Tibri medical college, Karachi.

Titile: Comparision of serum prolactin level in persons with and without endometrial cancer

Dr Sanam Sinaei
Pathology Department, Tabriz University of Medical Sciences, Iran

Dr Sanam Sinaei was born in 1989 in Tabriz Iran . she has finished her high school and college in high talented students school(SAMPAD) in 2006 she earned scholarship for medical school of Tabriz university of medical sciences and graduated top 10 in her class on 2013 she has been working in Kargan medical center as a general practitioner from 2015 till now

Title: EARLY MENARCHE AFFECTS DEVELOPMENT OF EMBRYO

P D Gupta Manipal university, India

Prof. Gupta was associated with many prestigious institutions in India and abroad in various capacities. He has delivered guest and public lectures in India and many other countries, visited about 66 countries on academic assignments. He has delivered Silver Jubilee Commemoration and Oration Award Lectures. He was Chief guest at various scientific celebrations and Key note speaker at conferences. He was also awarded top Fellowship viz. The Royal Society, London, Alberta Heritage Foundation, Canada lectureship Max Planck Fellowship, Germany and Senior fellowship of JSPS, Japan. He is a fellow of many learned Societies and has established 2 Research Institutions.

Title: Termination of pregnancy demand on the rise among displaced

Nelly Staderini
Medecins Sans Frontieres
Switzerland, Geneva

Nelly Staderini is the Sexual and Reproductive Health referent in the medical department of MSF Geneva since 8 years. She has a midwifery and Public Health background with few years of field experiences in different positions in Humanitarian settings including Afghanistan, Pakistan, Chad, Cambodia and Burundi. She had published articles in journals, reviews and books on traditional birth attendant, nutrition, cholera, HIV and pregnancy and more recently on abortion.

Title: Managing Miscarriage

Alka Garg
CAREWELL HOSPITAL,
India

Alka Garg has her expertise in evaluation and passion in improving the health and wellbeing of her patients. Papers Presented and Published: Safe Motherhood: Presented a paper in All India Obstetrics and Gynaecological Congress, FOGSI in Dec. 1993 in Calcutta as Junior most Speaker. She has also presented a paper on Medical abortion in India a role model for the rest of the world in San Antonio Texas USA in 2014 & a paper on prevention of cervical cancer in Dubai in 2016 in international conference of Gynaecology. Other Academic Qualifications: 1. Has been working with PSI Organisation since 2002. 2. Has done Certificate Course in Women Empowerment from IGNOU, New Delhi. 3. Has done Postpartum ICUD Training from Population Service international(PSI),a well known NGO. 4. Has done Certificate Course in Gestational Diabetes Mellitus from

Title: Effectiveness of breast cancer awareness programme in changing knowledge, attitude and practices among educated women in Raipur

Anjali Pal
All India Institute of Medical Sciences Raipur
Chattisgarh, INDIA

Dr Anjali Pal has completed her MBBS and M.D in Social and Preventive Medicine from King Georges Medical University Lucknow. She is currently serving as Associate Professor in the department of Community and Family Medicine at All India Institute of Medical Sciences at Raipur Chhattisgarh India

Title: Prevalence and possible risk factors of anaemia in different trimesters of pregnancy

Harwinder Kaur Cheema
Punjab Institute of Medical Sciences, Jalandhar, Punjab

Dr Harwinder Kaur Cheema (H.K.Cheema), is presently working as Associate professor, in department of Obstetrics & Gynaecology, Punjab Institute Of Medical Sciences, Garha Road, Jalandhar.I worked as assistant professor, in the same institution. I did M.B.B.S from G.G.S. Medical college, Faridkot, Punjab, India. I was the BEST GRADUATE of G.G.S. Medical college, Faridkot, Punjab, India. I did my Masters in Obstetrics & Gynaecology from Govt. Medical college, Patiala. Presently, I am doing-Advanced course in Medical Education (ACME), approved by Medical council Of India. I have done 6 original research article publications, in various international research journals. I am reviewer of 2 international research journals related to medical research.

SPEAKER SLOTS AVAILABLE

Title: Assessment of Knowledge, Attitude and Behaviour towards Emergency Contraceptive among Female Students of Fasiledes Preparatory School, Gondar, Ethiopia

Ketema Bizuwork Gebremedhin

Addis Ababa University, Addis Ababa, Ethiopia

Ketema Bizuwork Gebremedhin. Msc in Nursing, Lecturer and Researcher in Addis Ababa University College of health sciences, Addis Ababa, Ethiopia

Title: Overview of experience and future developments with transvaginal endoscopy: Serbian expirience

Kopitović Vesna

Ferona Fertility Clinic, Serbia

Vesna Kopitović was born at 21st of March, 1966 in Novi Sad, Yugoslavia. She became a specialist in Ob/Gyn since 1995, Master of Medical Sciences, since 1994. at University of Novi Sad and PhD thesis in field of sterility she finished 2004 and also subspecialization in Fertility and Sterility 2006.
