About Dubai, UAE

Dubai is the most populous and the largest city in the United Arab Emirates (UAE). It is situated on the southeast coast of the Persian Gulf and is the capital of the Emirate of Dubai, one of the seven emirates that make up the country. The city of Dubai is situated on the emirate's northern coastline and heads the Dubai-Sharjah-Ajman metropolitan territory. The emirate of Dubai imparts outskirts to Abu Dhabi in the south, Sharjah in the northeast, and the Sultanate of Oman in the southeast.

Dubai has a rich gathering of buildings and structures of different architectural styles. Numerous cutting edge understandings of Islamic engineering can be found here. To give some examples: The Burj (Khalifa Tower), the world's tallest building is 828 m tall. The Burj Al Arab, a luxury hotel, is frequently described as "the world's only 7-star". Palm Jumeirah: One of its kinds is one of three planned islands called the Palm Islands which extend into the Persian Gulf. The Dubai Miracle Garden, Flower Garden, is the world's largest flower garden. Dubai is rich in its culture, Healthcare, Education, Sports, Entertainment, Food and Transportation.
