Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Philadelphia

Philadelphia is the largest city in the U.S. state of Pennsylvania and fifth most populous in USA. It is located in the north-eastern United States, at the confluence of the Delaware and Schuylkill rivers. The city covers 141.6 square miles (367 km). Philadelphia became economic and Cultural valley of Delaware valley for its growing liberal political values and the city has earned a reputation as a historic city, a view which has proceeded into the 21st century.

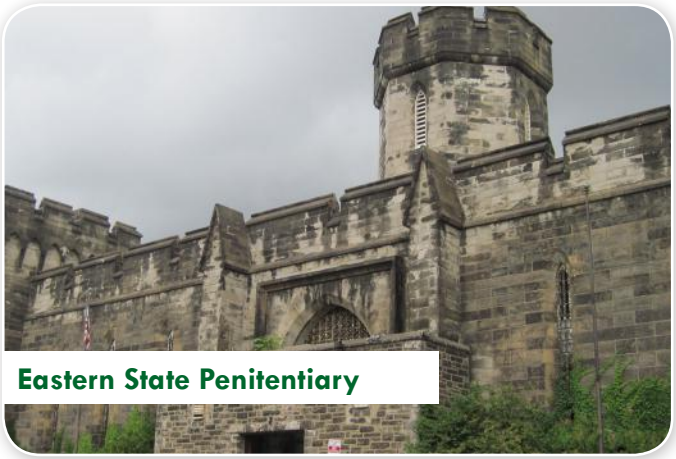

Philadelphia is home to a diverse history of artists and arts organizations, and it is seat of its own country. It is now fast becoming the regional capital for healthcare as well. Due to the popularity related to ENT Surgery devices and cases are increasing in USA, Philadelphia, is set to become the hub for specialized ENT Surgery and a center for medical education and research.
