About the conference

The 24th International Congress on Nutrition and Health, held in Amsterdam, Netherlands on June 24-25, 2025, was a landmark event in the realm of health and nutrition. Bringing together leading experts, researchers, policymakers, and practitioners from around the globe, the conference provided a platform for the exchange of cutting-edge research findings, innovative ideas, and best practices in the field.

With a focus on addressing the pressing challenges facing global health and nutrition, the congress featured a diverse range of topics spanning from the latest advancements in nutritional science to strategies for promoting healthy lifestyles and preventing chronic diseases. Participants had the opportunity to engage in thought-provoking discussions, attend interactive workshops, and network with peers across various disciplines. Keynote speakers delivered insightful presentations on emerging trends and pivotal research findings, shedding light on the intricate interplay between diet, health, and disease. Breakout sessions delved deeper into specific areas of interest, exploring topics such as personalized nutrition, sustainable food systems, and the role of nutrition in maternal and child health”
