Organizing Committee Guidelines

• We are glad to have your association as an Organizing Committee member of the conference.

• As an Organizing Committee member we request you to submit your abstract for the session of your interest which will be updated in the website.

• Please let us know the session you would like to chair/co-chair.

• As an Organizing Committee member we request you to suggest the names of eminent scientists/Industrialists who could give a potential presentation for the session. Group discounts will be provided on registration to the speakers suggested by you.

• We request you to suggest any modifications that are required in the call for abstracts (or) workshops (or) any topic related to the Conference in order to enhance the Conference agenda.

• As an organizing committee member of the Conference you may refer the names of any potential contacts for obtaining sponsors.

• Please let us know if you have any suggestions for increasing the participation in poster presentation session/workshops.

• You may coordinate a session of your interest and review the abstracts submitted to make the session more effective.

• We request you to include speakers and topics from industry which plays a vital role in Conference.
