Welcome Message

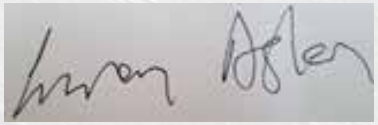

On behalf of the Organizing Committee, I have immense pleasure to note that the OMICS International is organizing "9th Asia Pacific Global Summit On Healthcare" which is going to be held during July 03-05, 2017 Kuala Lumpur, Malaysia.

"In Pursuit of viable High Quality Health Care" main topic, the conference provides a platform for many multi-disciplinary academicians to share their views.

The global population health management market is expected to reach $40.6 billion by 2018.This market was valued at $12.8 billion in 2013 and is poised to grow at a CAGR of 26% from 2013 to 2018, to reach $40.6 billion by 2018. Increasing health costs bring high load on governments and people. The quality aspect is aiming to decrease costs by providing more effective treatments and healthcare policies. Health Management is related to leadership, management and administration of health care systems, public health systems, Medical Insurance, Health insurance, hospitals, Family medical insurance, cheapest family medical insurance and hospital networks. Hence, all parties in healthcare are expected to persuade high quality perspective in all operations to get a total health quality target. Healthcare conference is one of the most significant Healthcare meeting, it includes sessions Healthcare Finance, Healthcare Statistics, Healthcare Marketing and Industry, Family healthcare insurance Advances in Healthcare, Universal Healthcare ,Health insurance , Affordable Health insurance plans, Healthcare Databases, Healthcare Equipment, Healthcare Communications, Healthcare System and Law and Healthcare Quality.

Your presence and deliberation will make this congress remarkably successful in all aspects of Healthcare Management.

Tourist Attractions

Venue

Kuala Lumpur is popularly named K L, has the last decade become one of the most energetic cities in Asia. K L is a financial centre in the East and a unique city for tourism. It offers first class attractions, entertainment and shopping facilities. A world class capital with all facilities you expect!

Kuala Lumpur the capital of Malaysia is a clean, safe, top modern multicultural city. Here you can find some of the world's most breathtaking modern skyscrapers, motivated by the unique style of Malay architecture, next to some colonial buildings, which means that the city also holds much of its old character and local colour.

You'll fall in love with Kuala Lumpur, Malaysia
