Invitation

Dear Attendees,

We are glad to announce the **34th World Congress on Heart Diseases at Madrid, Spain during July 27-28, 2020** organized by Conference Series llc LTD in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. This conference provides "the focal hub" for people to present their research and exchange ideas in a Asian venue. The organizing team assembles top speakers covering the latest advances in the field, incorporating diversity in every sense (gender, geography etc.).

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Heart Congress 2020 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Madrid this July.

Sincerely,
Heart Congress 2020
