INVITATION FOR CONFERENCE

DEAR
COLLEAGUES,

Heart Diseases 2024 welcomes you to attend "39th World Congress on Heart Diseases" slated to hold on May 30-31, 2024 at Vienna, Austria with theme "Promising Growth towards Cardiac Research". This International meet (Heart Diseases 2024) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current technologies involved in cardiology. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class surgeons.

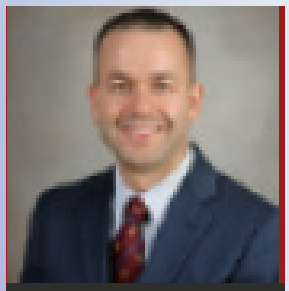

What's in store for 2024?

- Cardiovascular Risk Factors and Prevention
- Coronary Artery Disease (CAD) and Atherosclerosis
- Heart Failure and Cardiomyopathies
- Arrhythmias and Electrophysiology
- Interventional Cardiology and Catheter-Based Thera-
- Imaging Modalities in Cardiology
- Cardiovascular Genetics and Precision Medicine
- Pediatric and Congenital Heart Diseases
- Vascular Diseases and Peripheral Arterial Disorders
- Cardio-Oncology and Heart Health in Cancer Patients
- Women's Cardiovascular Health

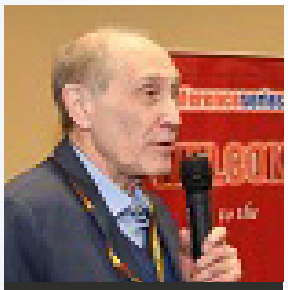

Innovations in Heart Transplantation

Renowned Speakers 2024

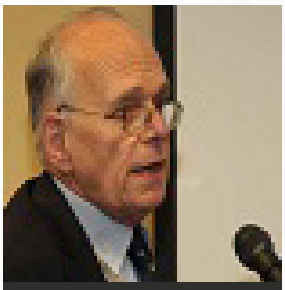

John P Breinholt

University of Texas McGovern Medical School, USA

Jean-Pierre Usdin

American Hospital of Paris, France

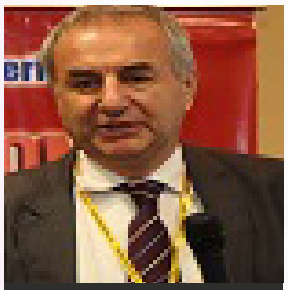

Richard N W Hauer

Netherlands Heart Institute Netherlands, Netherlands

Jens Frahm

Max-Planck-Institut fur biophysikalische Chemie, Germany

Sekib Sokolovic

Sarajevo University Clinical Center, Bosnia and Herzegovina

San Bortolo Hospital

Sechenov University, Moscow Engineering Physical University (MEPhI), Russia

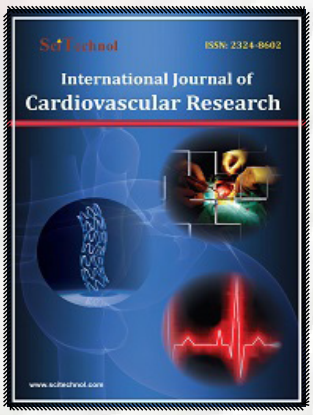

Selected contributions will be published in following Conference Series Journals Supported By

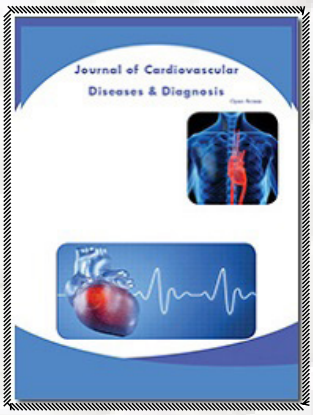

→ Clinical & Experimental Cardiology

→ International Journal of Cardiovascular Research

→ Cardiovascular Diseases & Diagnosis

Tentative Agenda

Day 1 May 30, 2024

Opening Ceremony

Conference Souvenir Launch

Promising Growth towards Cardiac Research

Keynote Forum (& Exhibitions Full day)

(Panel discussions and Reviews)

Coffee Break: Networking & Refreshments

Group Photo

Speaker Forum

Sessions Chair's Introduction

Session 7: Cardiovascular Risk Factors and Prevention

Session 8: Heart Failure and Cardiomyopathies

Session 9: Arrhythmias and Electrophysiology

Session 10: Interventional Cardiology and Catheter-Based Therapies

Panel discussions and Reviews

Lunch Break

Session 11: Imaging Modalities in Cardiology

Session 12: Imaging Modalities in Cardiology

Panel discussions and Reviews

Young Research Forum

(Panel discussions and Reviews)

Coffee Break: Networking & Refreshments

B2B Meetings

Day 2 May 31, 2024

Opening Ceremony

Conference Souvenir Launch

Promising Growth towards Cardiac Research

Keynote Forum (& Exhibitions Full day)

(Panel discussions and Reviews)

Closing Ceremony

Venue & Accommodation

Vienna, Austria

Vienna, Austria

Vienna, Austria's capital, lies in the country's east on the Danube River. Its artistic and intellectual legacy was shaped by residents including Mozart, Beethoven and Sigmund Freud. The city is also known for its Imperial palaces, including Schönbrunn, the Habsburgs' summer residence. In the Museums Quartier district, historic and contemporary buildings display works by Egon Schiele, Gustav Klimt and other artists. Vienna has been called the "City of Music" due to its musical legacy, as many famous classical musicians such as Beethoven and Mozart called Vienna. Vienna is also said to be the "City of Dreams" because it was home to the world's first psychoanalyst, Sigmund Freud. There's a very good reason why Schönbrunn Palace is Vienna's most popular tourist spot. It's magnificent, and a tour through the interior is a tour through some pretty impressive European history.

Austria, largely mountainous landlocked country of south-central Europe. Together with Switzerland, it forms what has been characterized as the neutral core of Europe, notwithstanding Austria's full membership since 1995 in the supranational European Union (EU).

Important Dates

Abstract Submission Opens: September 06, 2023

Registration Opens: September 11, 2023

Early Bird Registration: October 22, 2023

On Spot Registration: May 30, 2024

Mail us to know more!
