April 03-04, 2025 // Madrid, Spain

15th International Conference on Human Genetics and Genetic Diseases

Madrid, Spain

April 03-04, 2025

humangenetics@eventsupporting.org

Invitation

Dear Attendees,

We are glad to announce the **15th International Conference on Human Genetics and Genetic Diseases** to be held in **Madrid, Spain** from **April 03-04, 2025** organized by **Conference Series, USA** in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the Genetic Scientists, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Human Genetics & Genetic Disorders, Human genetics Molecular Genetics Gene Therapy Medical Genetics Genetic Disorders Epigenetics Stem Cell Research Stem Cell Research Cytogenetics Clinical Genetics Cancer Genetics Genetic Counseling Biochemical Genetics Genomics Population Genetics Developmental Genetics Pharmacogenetics Immunogeneticm Human Genetic Engineering Gene Therapy and Genetic Counseling Nutritional Genomics Stem Cell Research and Therapy Genomic Medicine & Molecular Diagnostics Oncogenomics and Cancer Heredity Ethical & Social Implications of Gene Editing and will be available to discuss with you the latest issues and trends in ***A debate on Human Genetic Disorders & Diseases.***

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Human Genetics & Genetic Disorders Congress to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Madrid** this April.

Sincerely,

Human Genetics 2025

Organizing Committee

About Us

Our International Open Access Journals

- **700+ Leading**-edge Peer Reviewed Open Access Journals
- **21 Day** Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million Readers** and High Visibility
- **1000+ Scientific Associations** Collaborations
- **100000+** facebook fans Likes
- **Publication** immediately after acceptance
- **Quality and Quick** editorial, review processing

Salient Features

- **Easy to Submit** and Review Systems
- **High Quality** and Fast Publishing Guaranteed
- **Unbiased, quality-oriented,** and transparent reviews
- **Truly impartial recognition** of the best papers
- **Feedback** on the impact of every article
- **Enhanced feature:** Audio version of published paper
- **Digital articles** to share and explore
- **Sharing option:** Social networking enabled
- Authors, reviewers and editors are provided with **scientific credits**
- User friendly/feasible website articles **translations** across more than **50 world languages**

Our International Scientific Conferences

- More than **3000 Conferences** happening across the globe
- Conferences organized in **Medical, Pharma, Engineering, Science, Technology and Business.**
- **CME/CPD Accredited** Conferences fostering professional and Personal development
- **Continuum of education** through organized scientific program
- **Renowned speakers** and scientists representing from **40 countries**
- **Highly Interactive sessions** and Panel Discussions
- **B2B Meetings** offers perfect platform for Global Networking

Salient Features

- **Robust on-line publicity** for all the speakers and organizing committee members
- **Career Guidance** Workshops for students and early career researchers
- **Accepted Abstracts** will be published in various **indexed journals**
- **Accepted abstracts** will be labeled with a **Digital Object Identification Number** (DOI) provided by **Cross Ref**
- **Creation** of speakers and abstracts pages in Google
- **Opportunity** to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be published inrespective Conference Series Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Human Genetics 2025 Conference website is attracting **25000+** Geneticists, Molecular Biologists, Medical Professionals online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Human Genetics 2025 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

About Conference

Purpose

15th International Conference on Human Genetics and Genetic Diseases is an arena for interdisciplinary exchange among professionals in the fields of Genetics, Molecular Biology and Genomics.

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Geneticists & Genetic Researchers present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Human Genetics & Genetic Disorders and Genomics
- Discuss and apply recent research findings related to Human Genetics & Molecular Genomics
- Reflect on the place of critical distance in Human Genetics & Genetic Disorders and Gene therapy

About Conference

Who should attend

15th International Conference on Human Genetics and Genetic Diseases is exclusively designed for Geneticists, Scientist, Genetic Researchers, Molecular Geneticists, Medical Professionals, Genetic Innovators & Engineers, R&D section, Cell Biologists, Genetic Councilors and others engaged in endeavors related to Genetics and Molecular Biology Research Centers..

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than **3000+ global events** inclusive of **1000+ Conferences 1000+ Symposiums 1000+ Workshops** in **USA, Europe, Middle East and Asia** with the generous support and cooperation from our **30000+ Editorial Board Members, 1000+ Scientific Societies.** All the conference proceedings are published in the special issues of our **700+ Open Access International Journals** with the **DOI** provided by

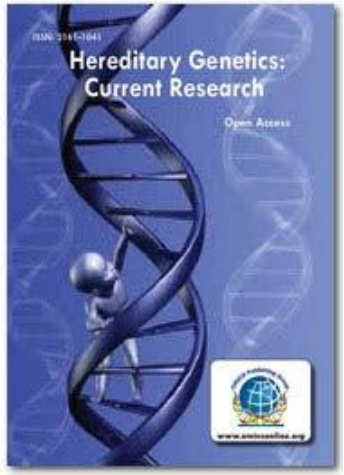

Major sessions

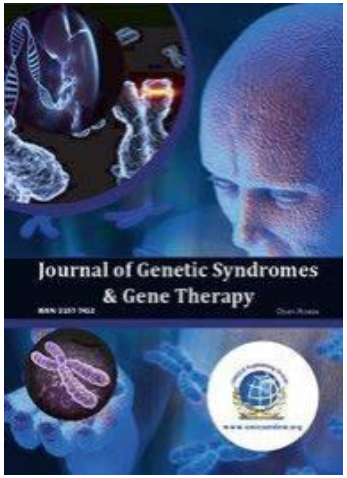

- Human genetics
- Molecular Genetics
- Gene Therapy
- Medical Genetics
- Genetic Disorders
- Epigenetics
- Stem Cell Research
- Stem Cell Research
- Cytogenetics
- Nutritional Genomics
- Stem Cell Research and Therapy
- Genomic Medicine & Molecular Diagnostics
- Clinical Genetics
- Cancer Genetics
- Genetic Counseling
- Biochemical Genetics
- Genomics
- Population Genetics
- Developmental Genetics
- Pharmacogenetics
- Immunogenetics
- Human Genetic Engineering
- Gene Therapy and Genetic Counseling
- Oncogenomics and Cancer Heredity
- Ethical & Social Implications of Gene Editing

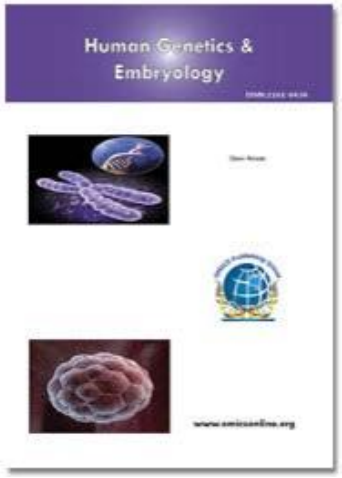

About Conference

Supporting Journals

- Hereditary Genetics : Current Research
- Journal of Hereditary Genetics and Gene Therapy
- Human Genetics & Genetic Disorders and Embryology

About Madrid

Madrid, Spain's central capital, is a city of elegant boulevards and expansive, manicured parks such as the Buen Retiro. It’s renowned for its rich repositories of European art, including the Prado Museum’s works by Goya, Velázquez and other Spanish masters. The heart of old Hapsburg Madrid is the portico-lined Plaza Mayor, and nearby is the baroque Royal Palace and Armory, displaying historic weaponry.

Madrid, cheerful and vibrant at all hours, is famous for being an open city with all kinds of people from anywhere in the world.

In addition to its famous museums, busy streets dotted with all kinds of shops, restaurants with world cuisine and unbeatable nightlife, Madrid will surprise you with its tranquil historic spots that charm everyone walking by. Here you'll find traditional family-run, century-old bars where friends meet up for a drink, every style of neighbourhood and cultural centres that offer up an alternative type of tourism. Madrid's authenticity is hard to beat. It is welcoming and diverse. Madrid is, without a doubt, one of Europe’s most interesting cities.
