WELCOME ADDRESS

Dear Attendees,

The Hypertension 2025 Organizing Committee is absolutely delighted to welcome you to the **12th International Conference on Hypertension and Cardiovascular Diseases**, which will be held in **Rome, Italy** on **November 03–04, 2025**, where we will be shining a spotlight on "Advancing Global Strategies in Hypertension and Cardiovascular Care."

We look forward to providing you with an excellent platform to present, discuss, and advance your research in hypertension and cardiovascular diseases. The world-class scientific program will consolidate existing knowledge while increasing your awareness of the latest cutting-edge advancements and future trends in the field.

The congress will take place in Rome, one of the world's most iconic and influential cities, renowned for its contributions to the arts, commerce, education, fashion, healthcare, media, professional services, research, tourism, and more. It offers the perfect backdrop to blend scientific learning with an unforgettable personal experience.

We look forward to welcoming you in 2025 for an enriching and memorable conference.

With Regards
Hypertension 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Hypertension 2025salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- Hypertension 2025 aims to bring together leading global experts, academic professionals, scientists, cardiologists, researchers, scholars, business delegates, and students to exchange and share their experiences and research findings on all aspects of Hypertension, Cardiovascular Diseases, Prevention, and Management.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Hypertension and Cardiovascular Diseases
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

12th International Conference on Hypertension and Cardiovascular Diseases is among the world's leading scientific conferences in this field. This two-day event will host major scientific and technical sessions, along with sub-sessions focusing on cutting-edge research and the latest innovations in hypertension, cardiovascular diseases, prevention, and related global health challenges. To foster an exceptional learning environment, we have carefully designed sessions that will comprehensively address the current issues and advancements in various areas of hypertension and cardiovascular health. This year's conference will feature 17 major sessions aimed at providing in-depth knowledge and practical solutions.

Attendees will benefit from prestigious plenary and invited lectures, shorter oral presentations, and interactive poster sessions, offering numerous opportunities for participants to present their research and engage with global experts. This congress provides an excellent platform to meet cardiologists, researchers, healthcare professionals, academicians, and industry leaders from around the world. It is a unique opportunity to develop new strategies or refine existing practices based on the latest scientific evidence presented at

Hypertension 2025.

ABOUT CONFERENCE

Who Should Attend?

The Hypertension 2025 conference website is attracting 56,000+ physicians, cardiologists, hypertension specialists, researchers, healthcare professionals, speakers, professors, business delegates, and students from around the world.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Hypertension
- Pulmonary Hypertension
- Pediatric Hypertension
- Gestational hypertension
- Hypertension & Cardiac Arrest
- Hypertension & Obesity
- Hypertension – Stress & Stroke
- Hypertension & Diabetes
- Diet & Exercise for Hypertension
- Hypertension Treatments
- Advanced Treatments Approaches
- Clinical case report
- usative Factors & Risk Assessment
- Healthcare and Global Economics
- Healthcare and Chronic Diseases
- Healthcare & Technologies
- COVID-19 & Cardiovascular Complications
- Cardio-Oncology & Cardiotoxicity
- Coronary Artery Disease & Atherosclerosis

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ROME

Rome, the capital of Italy, is a city rich in history, culture, and timeless charm. Known as the “Eternal City,” it has been a center of power, politics, and religion for over two millennia. From the iconic Colosseum and Roman Forum to the majestic Pantheon and Trevi Fountain, Rome is a living museum where ancient ruins coexist with Renaissance art and baroque architecture. Every street corner tells a story, making it one of the most historically significant cities in the world.

Beyond its ancient heritage, Rome is also a vibrant modern metropolis. It offers a unique blend of old and new, where bustling piazzas, chic boutiques, and lively cafés create an energetic and welcoming atmosphere. The Vatican City, the smallest independent state in the world and home to the Pope, lies within the heart of Rome, drawing millions of visitors each year to marvel at St. Peter’s Basilica and the Sistine Chapel’s awe-inspiring ceiling by Michelangelo.

Rome’s culinary scene is equally renowned. From traditional Roman dishes like carbonara and cacio e pepe to world-class gelato and espresso, the city’s food culture is deeply rooted in simplicity, freshness, and tradition. Whether you’re strolling through the cobblestone streets of Trastevere or enjoying a sunset over the Tiber River, Rome offers an unforgettable experience that appeals to every kind of traveler.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
enquiries@europeconferences.com

Academic

Speaker Registration: € 599
Package A (Registration + 2 Night's Accommodation): € 899
Package B (Registration + 3 Night's Accommodation): € 1049

Business

Speaker Registration: € 699
Package A (Registration + 2 Night's Accommodation): € 999
Package B (Registration + 3 Night's Accommodation): € 1149

Student

Student Delegate: €399
YRF (Young Researcher's Forum): € 349

Important Dates

Abstract submission opens: May 25, 2025
Registration opens: May 28, 2025
On spot registration: November 03, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
