- This competition is open to all students (Graduates, Post Graduates and Research Scholars not above the age of 35).
- The abstract submission deadline for poster competition will be closed one month before the conference date (this is subject to change), hence all are requested to submit their abstracts well in advance.
- The abstract should include complete details of the participant (e.g., abstract title, name, affiliation, abstract, biography etc.,) For sample template, drop us a mail on casereports@globalconferencemeet.com
- Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.

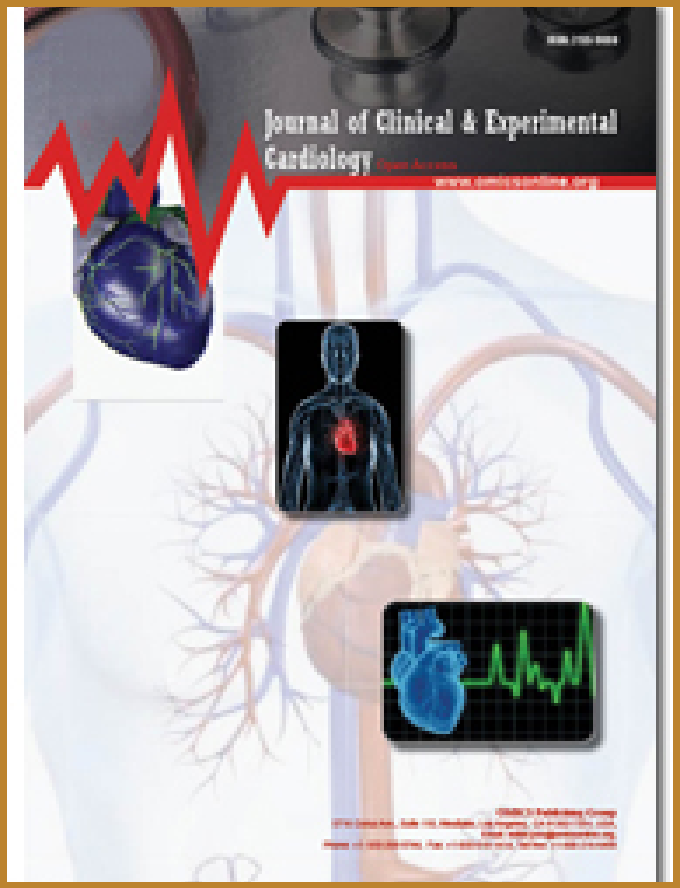

ABOUT CONFERENCE SERIES

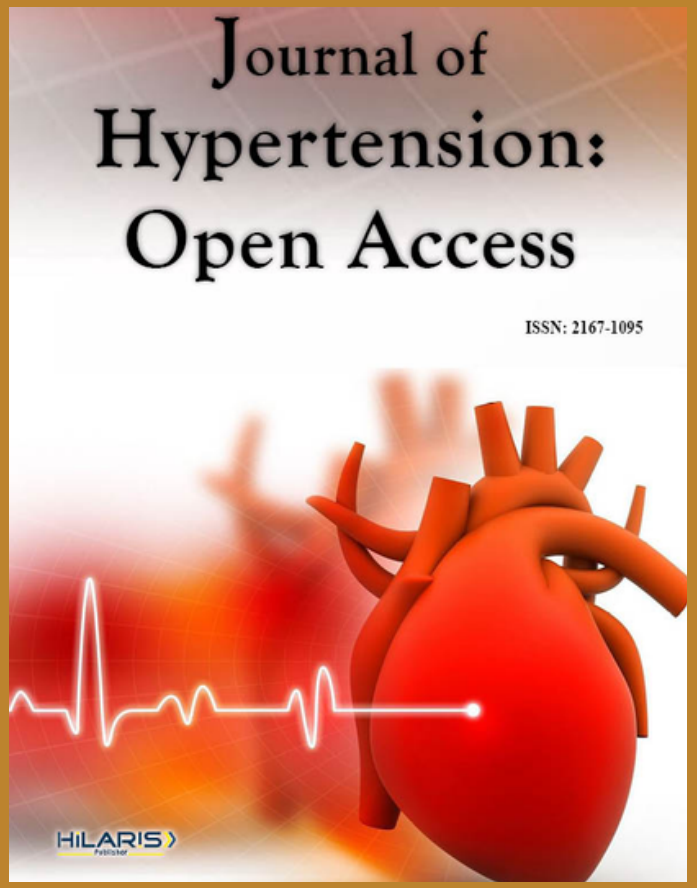

• Meet Inspiring Speakers and Experts at our 3000+ Global Conference Series Events with over 1000+ Conferences, 1000+ Symposiums and 1000+ Workshops on Medical, Pharma, Engineering, Science, Technology and Business.

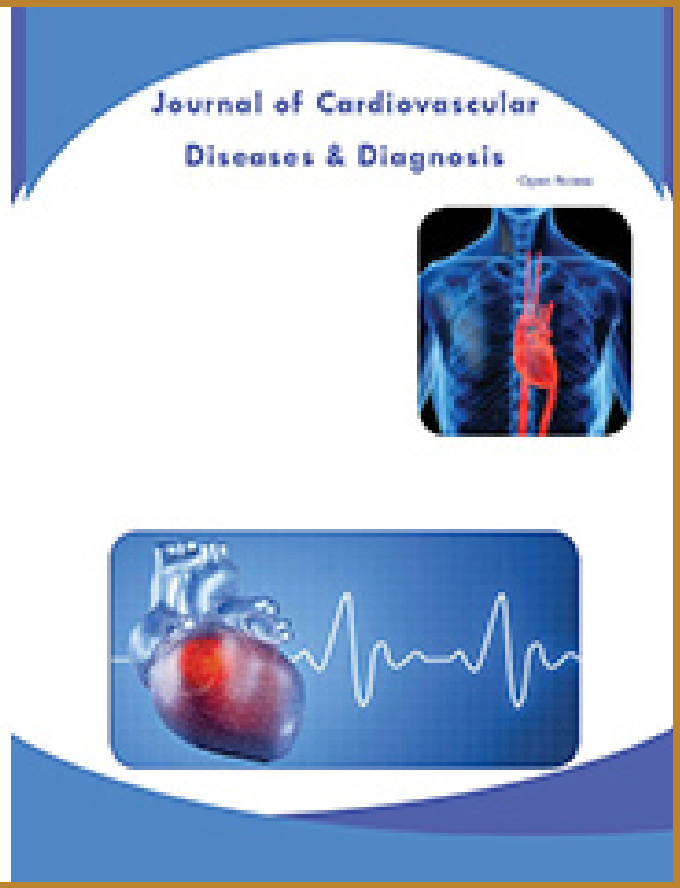

• With its world class state of innovation and information knowhow, our conferences facilitate knowledge dissemination through round table discussions, debates, workshops and poster presentations.

• Reciprocating to the global necessity, these International Conferences echoes the world tone on stringent research and developments in various multidisciplinary arenas, thereby fostering national and international collaborations.

SUPPORTING JOURNALS

- Clinical & Experimental Cardiology
- Journal of Hypertension: Open Access
- Cardiovascular Diseases & Diagnosis

About Venue

Dubai, also spelled Dubayy, city and capital of the emirate of Dubai, one of the wealthiest of the seven emirates that constitute the federation of the United Arab Emirates, which was created in 1971 following independence from Great Britain. There are several theories about the origin of the name Dubai. One associates it with the daba—a type of locust that infests the area— whiles another holds that it refers to a market that existed near the city. In recent years Dubai has been compared to Singapore and Hong Kong and is often regarded as the Middle East's premier entrepot.

Dubai is a city of skyscrapers, ports, and beaches, where big business takes place alongside sun-seeking tourism. Because of its large expatriate population, it feels like a Middle Eastern melting pot, and the atmosphere is generally tolerant. Religious affiliations are not a prominent aspect of city life. Islam is the majority religion, but churches and Hindu temples coexist with Dubai's mosques.
