About San Diego

San Diego is the 2nd largest city in California and 8th largest in the United States. San Diego is a city on the Pacific coast of California known for its extensive beaches, parks, warm climate, natural deep-water harbor, long association with the United States Navy and recent emergence as a healthcare development center. Immense Balboa Park is the site of the world-famous San Diego Zoo, as well as numerous art galleries, artist studios, museums and gardens. A deep harbor is home to a large active naval fleet with the USS Midway museum, an aircraft-carrier-turned-museum and open to the public.
