INVITATION

Dear Attendees,

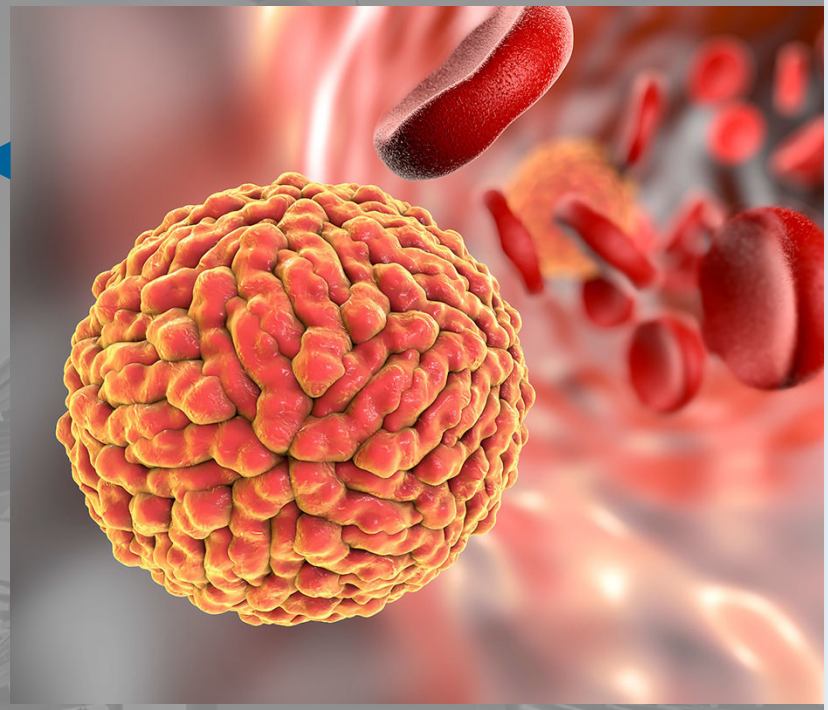

After successful completion of **Infectious Diseases Meet 2019**, Conference Series welcomes you to attend the **3rd Global Experts Meeting on Infectious Diseases**, which is going to be held in **Tokyo, Japan**, during March 23-24, 2020.We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Immunology and Infectious Diseases Infectious Diseases Meet 2020 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations, Poster Presentations and workshops. This is an excellent opportunity for all the Infectious Diseases and health care related people from Universities and Institutes to interact with the world class Scientists across the . The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the benefits of Early Bird offer. The main theme of the conference is "**Innovative Research and Future Trends in Tropical Medicine and Infectious Diseases**".

Life is full of give and take. Make it count in your professional life. **3rd Global Experts Meeting on Infectious Diseases** amid March 23-24, 2020 at Tokyo, Japan. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Infectious Diseases Meet 2020

Organizing Committee

Infectious Diseases Meet 2020

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Infectious Diseases Meet 2020 Scientific Committee is honored to welcome you all to attend **21st World Dermatology Congress** which will be held during **March 23-24, 2020** at **Tokyo, Japan**. **21st World Dermatology Congress** will raise the most dynamic and latest issues in the field of Dermatology. The Congress will highlight the discussion around the theme "Contemporary Modes to Escalate Research in Dermatology" by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at Infectious Diseases Meet 2020. The highlights of the conference includes Dermatology, Clinical Dermatology, Pediatric Dermatology, Dermatological Diseases, Psoriasis, Hyperpigmentation and Vitiligo, Leprosy, Skin Cancer, Mohs Surgery, Dermatological Techniques, Alopecia and Scalp Problems and many more.

Infectious Diseases Meet 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Dermatology , present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Dermatology
- Discuss and apply recent research findings related to Dermatology and Skin Diseases.
- Reflect on the place of critical distance in Dermatology Research.

Who should attend?

- Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in skin growth, skin ailments, Allergy manifestations, Dermatological maladies, Clinical Dermatology and Cosmetic Dermatology.

Conference Sessions

- Infectious Diseases
- Causes and Symptoms of Infectious Diseases
- Problems in infectious disease practice
- Pediatric Infectious Diseases/ Childhood Infectious Diseases
- Viral Infectious Diseases
- Bacterial Infectious Diseases
- Fungal Infectious Diseases
- Blood infectious Diseases
- Epidemiological Diseases
- Global Markets on Infectious Diseases
- Tropical Infectious Diseases
- STD And HIV infection
- Infection, Immunity and Inflammation
- Pharmacology and Infectious Diseases
- Veterinary Infectious Diseases
- Antimicrobials/ Antibiotics/ Antibacterial
- Nosocomial Infections & Control
- Sepsis/ Septicemia
- Ebola and Zika Viral Infections
- Neuro Infectious Diseases
- Vaccines and Vaccination
- Infectious Diseases Prevention, Control and Cure

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

Registrations

Academic*

Only Registration: USD 699
Package A (Registration + 2 nights' Accommodation): USD 1099
Package B (Registration + 3 nights' Accommodation): USD 1249

Business*

Only Registration: USD 799
Package A (Registration + 2 nights' Accommodation): USD 1199
Package B (Registration + 3 nights' Accommodation): USD 1349

Student*

Student Oral: USD 499
Student Poster: USD 599 (USD 499 + USD 100 for Poster)
Student Delegate: USD 399
E-poster: USD 99

Supporting Journals*

- **Journal of Immunological Techniques & Infectious Diseases**
- **Journal of Infectious Diseases & Immune Therapies**
- **Journal of Bacteriology & Parasitology**

Young Researchers can also participate in this elite congress

Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Eligibility

- Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event.
- None of the authors should have senior position or faculty position.
- Participants should be below the age of 33 years.
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.

Submission

- Each individual participant is allowed to submit only one paper (as first author or co-author).
- All submissions must be in English.
- The chosen topic must fit into sessions of the congress.
- Showcase your research through oral/poster presentations

Video Presentation

Connect with the International Platform of Research from your Door Step!

Video is the easiest way to present the most complicated research in powerful narrative way.

What is Virtual/Video Presentation?

We believe in providing an equal opportunity to underdeveloped, developing and developed country to join the international platform from any corner of the world. So, Conference Series. designed Virtual/ Video Presentation platform by so that researcher can present their latest research in front of elite researcher and scientist. This platform will also provide researchers to get feedback and ideas from the people working on the same domain.

Why Virtual/ Video Presentation?

A video presentation has ability to engage the audience easily. Detail video presentation support in presenting the complex research in a very easy and understandable manner.

Till now 2000+ speakers joined us from all across the world through Virtual/ Video Presentation.

Video Presentation Opportunity:

We suggest the participant to join the conference through video presentation in following condition:

- No Travel Plan & Agreements
- No Visa Issues
- Busy Schedule
- Schedule Conflict

Benefits of opting Video Presentation:

- Speaker video presentation will be officially recognized
- One of the scientific committees will represent the presentation on behalf of speaker
- Session Chair suggestions and comments will be communicated after the conference
- Publication of Abstract in the Souvenir and International Journal with unique DOI
- Certification by the International Organizing Committee (IOCM)
- Conference Souvenir (Hardcopy) delivery to presenter address
- The presentation will be added on our You tube channel

Details for Video Presenter:

- Record your presentation video
- Duration of the video: 20 -25 minutes
- Registration Fee: $249

ABOUT TOKYO

Tokyo is Japan's capital and the largest metropolitan area in the world. It is also one of Japan's 47 prefectures, consisting of 23 central city wards and multiple cities, towns and villages west of the city center. The Izu and Ogasawara Islands are also part of Tokyo. Prior to 1868, Tokyo was known as Edo. A small castle town in the 16th century, Edo became Japan's political center in 1603 when Tokugawa Ieyasu established his feudal government there. A few decades later, Edo had grown into one of the world's most populous cities. With the Meiji Restoration of 1868, the emperor and capital moved from Kyoto to Edo, which was renamed Tokyo ("Eastern Capital").

World's highest Skywalk- the Tokyo Sky tree is the tallest free-standing tower in the world, measuring 634m. The observation deck at 450m is the world's highest skywalk and offers panoramic views of the city.

Tokyo is a fascinating city, where the latest trends and the oldest traditions meet. From ancient cherry-blossom festivals to the vibrant Harajuku neighbourhood. Tokyo offers a seemingly unlimited choice of shopping, entertainment, culture and dining to its visitors.

The city's history can be appreciated in districts such as Asakusa, and in many excellent museums, historic temples and gardens. Contrary to common perception, Tokyo also offers a number of attractive green spaces in the city centre and within relatively short train rides at its outskirts.

IMPORTANT DATES

Abstract Submission Opens:	**March 01, 2019**
Registration Opens:	**March 01, 2019**
Early Bird Registration:	**June 30, 2019**
On Spot Registration:	**March 23, 2020**
