About the conference

Kidney Care 2024 extends its invitation for you to attend International conference on 4th International conference on Kidney Failure & Renal Care which is scheduled to be organized on August 19-20, 2024 London, UK. The Kidney Care 2024 mainly focuses on Novel educational approaches to enhance learning and interest in Nephrology & Urology. The detailed information about the systemic conditions that affect the kidneys and systemic problems that occur because of kidney problems. The conference will focus around the theme “Exploring the advanced technologies and new therapeutics in kidney transplantation”.

Kidney Care 2024 intends to give various and flow training that will keep medicinal experts side by side of the issues influencing the avoidance, finding and treatment of topic related to Nephrology.

This conference also covers topics on Nephrology, Urology, Kidney, Renal Nutrition & Metabolism, High Blood Pressure, Robotic Nephrectomy, Diabetic Nephropathy, Clinical Nephrology, Pediatric Urology

Theme: “Exploring the advanced technologies and new therapeutics in kidney transplantation”.

Why to attend the conference

The aim of this conference is to make a platform where the ideas can be shared from the Nephrologist and Urologist. This year we have gathered nephrology experts from around the continent who were specially chosen to highlight some of the most exciting areas in nephrology and urology over the past few years. The program was planned to meet the specific needs of the diverse registrants and stakeholders interested in Nephrology and Urology field. This year we really want to engage the audience in the conversation of nephrology & urology with panel discussions, workshops, in addition to lectures with Q+A. We aim to arrange plenty of opportunities to interact and network with each other.
