Venue & Accommodation

Dubai, UAE

Dubai, UAE

The United Arab Emirates or simply the Emirates is a country in West Asia, in the Middle East. It is located at the eastern end of the Arabian Peninsula and shares borders with Oman and Saudi Arabia, while also having maritime borders in the Persian Gulf with Qatar and Iran. Abu Dhabi is the country's capital, while Dubai, the most populous city, is an international hub.

Dubai is a city of skyscrapers, ports, and beaches, where big business takes place alongside sun-seeking tourism. Because of its large expatriate population, it feels like a Middle Eastern melting pot, and the atmosphere is generally tolerant. Religious affiliations are not a prominent aspect of city life. Dubai straddles a natural inlet called Dubai Creek on the southern shores of the Persian Gulf. For more than a century, the area was Dubaiâ€™s centre, because of the early cityâ€™s reliance on fishing, pearl diving, and maritime trade. Lining the creek are the oldest buildings in Dubai.
