18th Annual Conference on

Laboratory Medicine and Pathology

June 22, 2021

Webinar

About Conference

With the coordination of organizing committee, "18th Annual Conference on Laboratory Medicine and Pathology" Webinar will be scheduled during April 29, 2021 focusing on the theme "Enhancing accuracy in diagnosis through laboratory measures". Interested peoples are welcomed to share their analytical data and research work within the space of Laboratory medicine and PathologyLABMEDPATH 2021 will be a great platform for exchanging new ideas and research. It's a 1-day event which will grab the attendee's attention to explore in field of Laboratory medicine and pathology. This gathering will provide networking sessions for Laboratory Professionals, Pathologist, Pathology Assistant, Scientists, Professors, Business Assistants, Students, and individuals from all medical associations and universities. Through the help of the Keynote Speakers, Symposium, workshops, and exhibition it will be more efficient and both convenient to gather quality information for different individual purposes. Topics for the speakers are mentioned within "call of abstract" accordingly submission of their own abstracts, papers, case reports and posters would be accepted. Delegates, speakers, doctors, students, academicians and groups can join "Laboratory medicine and Pathology 2021" with affordable prices.

Target audience

- Pathologists' assistants
- Cytotechnologists
- Histotechnologists
- Pathologists/PhD scientists
- Medical laboratory technicians
- Phlebotomists
- Anatomic pathologist
- Nurses
- Health Care Professionals
- Scientists & Researchers
- Academic Professionals
- Medical Students
- Surgical pathologists

Sessions / Tracks

- Biopsy
- Cytopathology and Histopathology
- Forensic pathology
- Dermatopathology
- Neuropathology
- Pulmonary pathology
- Renal pathology
- Haematopathology
- Laboratory Quality Indicators
- Equipment's and measures
- Veterinary pathology
- Plant pathology
- Primary Care in Infectious Diseases, Causes and Symptoms
- Animal Diseases and Pathogens
- Paediatric Pathology
- Molecular Pathology
- Phytopathogens
- Psychopathology
- Laboratory Medicine
- Surgical Pathology

REMINISCENCE OF PREVIOUS CONFERENCES

Be a part and join in the path of achieving excellence and accuracy in diagnosis through laboratory measures
