About the conference

Welcome to the 15th International Conference on Liver Diseases & Hepatology, a premier event dedicated to the advancement of hepatology, liver disease research, and cutting-edge medical practices. Held on January 25-26, 2024, in the vibrant city of London, UK, with the theme of "Exploring Innovations in Liver Health: From Research to Treatment". This conference is a gathering of esteemed researchers, clinicians, healthcare professionals, and experts from around the world, all driven by a shared mission to explore innovations in liver health and transform knowledge into impactful patient care.

The 15th International Conference on Liver Diseases & Hepatology is an unparalleled opportunity to expand your knowledge, engage in meaningful discussions, and contribute to the advancement of liver health worldwide. We look forward to welcoming you to London in January 2024 for this transformative event. Together, let's explore innovations in liver health and work towards a healthier future for all.

Theme: "Exploring Innovations in Liver Health: From Research to Treatment "

Why to attend the conference

- Insight on the recent emerging topics in Liver Diseases.
- Engage in the exciting event format, with round tables, panels, showcases, speed networking and multiple conference tracks.
- Share experiences, insights, and strategies in interactive peer-to peer round tables.
- Hear more perspectives in one place – from large medium and small organizations from pharma, biotech and academia.

WhatsApp: +44 2045860060 Email Id: liverdiseases@asiameets.com
