8th Global Conference on

Mass Spectrometry

March 23-24, 2020 | Osaka, Japan

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the **8th Global Conference on Mass Spectrometry during at March 23-24, 2020 | Osaka, Japan.** We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Mass Spectrometry.

Mass Spectra 2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals.

This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can con irm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main

theme of the conference is **"Recent Scientific Research Approaches and Development in Mass Spectrometry".**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Mass Spectra 2020 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Osaka this November.

Sincerely,

Mass Spectra 2020

Organizing Committee

About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective UK: Conference Series LLC Ltd Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Mass Spectra 2020 Conference website is attracting 25000+ online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Mass Spectra 2020 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 million+ visitors and 20000+unique visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyse and advance scientific knowledge about food safety and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of Mass Spectrometry
- Discuss and apply recent research findings related to Mass Spectrometry
- Reflect on the place of critical distance in Mass Spectrometry

Who should attend

8th Global Conference on Mass Spectrometry is exclusively designed for Scientists, Directors of analytical chemistry department in Universities, Research laboratories, Professors and Associate professors, Assistant professors, Lecturers, Graduates and Post Graduates, Analytical instrument manufacturing companies, Research and Development Department. Laboratory Professionals, Ph.D. Students, Research scholars, Students, Academicians, Business professionals and others engaged in endeavours related to Mass Spectrometry research and business.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

2020

Major Sessions

- Fundamentals of Mass Spectrometry
- New Approaches & Recent Advancements in Mass Spectrometry
- Tandem Mass Spectrometry
- Applications in Mass Spectrometry
- Maintenance, Troubleshooting, Data Analysis and Experimentation
- Configurations and Separation Techniques
- Imaging Mass Spectrometry
- Ionization techniques
- **Mass Spectrometry in Food Analysis**
- **Mass Spectrometry in Forensic Science**
- **Mass Spectrometry in Pharmaceutical and Biomedical Analysis**
- **Mass Spectrometry of Polymers**
- **Mass Spectrometry in Proteome Research**
- **Mass Spectrometry in Drug Discovery and Drug Control**
- **Mass Spectrometry in Environmental Analysis**

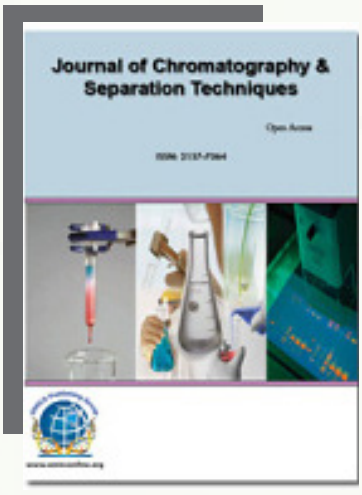

Supporting Journals

- Journals of Bioprocessing & Biotechniques
- Journal of Analytical & Bioanalytical Techniques
- Journal of Chromatography & Separation Techniques

About Osaka, Japan

Why Osaka, Japan?

Osaka is a designated city in the Kansai region of Japan. It is the capital city of Osaka Prefecture and the largest component of the Keihanshin Metropolitan Area, the second largest metropolitan area in Japan and among the largest in the world with over 19 million inhabitants.

Osaka developed into a hub port connecting the region to the western part of Japan. The large numbers of increasingly larger tomb mounds found in the plains of Osaka are seen as evidence of political-power concentration, leading to the formation of a state. Osaka is a cosmopolitan city near the ancient capital, Kyoto, best known for its dynamic food and drinking culture, and famously outgoing people. It's a surprisingly attractive and energetic city, with some of Japan's most outgoing and fun-loving people, and a world-class dining and drinking culture.
