- Exhibitors
- B2B Meetings

# MAJOR SESSIONS AT MASS SPECTRO

## SPEAKER SLOTS AVAILABLE!

- Mass Spectrometry
- NMR Spectroscopy
- Analytical Chemistry
- Raman Spectroscopy
- Terahertz Spectroscopy
- Astronomical Spectroscopy
- Chromatography
- Atomic Spectroscopy
- Absorption Spectrometry
- (HPLC) High Performance Liquid Chromatography
- UV Spectroscopy
- Biomedical Spectroscopy
- Luminescence Spectroscopy
- Spectroscopy tools in Nanotechnology
- X-Ray Spectroscopy
- Separation Techniques
- Crystallography
- Time-Resolved (TR) Spectroscopy
- Proteomics
- Clinical Chemistry and Laboratory Techniques
- Computed Tomography
- Clinical Chemistry and Laboratory Techniques
- Cloud- based Spectroscopy

# DISTINGUISHED SPEAKERS

## KEYNOTE, PLENARY & SESSIONS

- We are passionate about our speaking roster representing the richness of our community of Mass Spectrometry and its interrelated fields.
- Be a Keynote speaker and brainstorm about experiences and research ideas that may intrigue every member of the audience and thereby articulate ideas clearly and simply.
- Be the Chair and Co-Chair of the session and be a major hand in formulating the agenda. Also participate in discussions and decisions that affect the entire theme of the conference.
- We are continuously looking for new speakers and facilitators that are geared with current, innovative material that reflects the fresh vision we exude for the world of work.

# EXHIBITORS

## MEDIA PARTNERS, COLLABORATORS & SPONSORS

- Sponsorship is one of the best ways to brand your organization as a thought leader and to highlight your commitment to advancing the philanthropic sector.
- Connect with industry decision makers
- Showcase your organization's expertise at a world-class conference.
- Demonstrate your leadership
- As an exhibitor, you can meet and build relationships with these key officials and demonstrate how your products provide solutions for their requirements.
- At Mass Spectro conference, chemists, developers, manufacturers, research groups, academics, and all come together in one place, eager to receive fresh insight and share new information. Spectroscopy conference is the perfect place for you to communicate your key messages to an influential audience, efficiently and cost effectively.

# BEST POSTER AWARD

## IDEAL FOR THE EARLY STAGES OF THE RESEARCH

• You will be given about 5-7 minutes to present your poster including questions and answers.
Judges may pose questions during the evaluation of the poster
• Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
• The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
• Apart from the judging time you may also be present at the poster to share your research with interested delegates

# YOUNG RESEARCHERS FORUM

## FOR YOUNG & AMBITIOUS RESEARCHERS

• Present your research through oral presentations
• Learn about career development and the latest research tools and technologies in your field
• This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
• Develop a foundation for collaboration among young researchers
• The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
• Interact and share ideas with both peers and mentors
