# 2nd International Conference onMass Spectrometry and Chromatography

**December 16, 2020 | Webinar**

# About Conference

**Mass Spectro Meet 2020 invites proficient physicists, specialists, educators, established researchers, delegates, understudies, business experts and administrators from everywhere throughout the world to go to the "2nd International Conference on Mass Spectrometry and Chromatography" during December 16, 2020 webinar. Which incorporates provoke keynote introductions, Oral talks, Poster introductions and Exhibitions with the topic "Exploring new dimension in analysis of Ionic, Physical and Chemical Separation".**

# Conference Sessions

- Fundamentals of Mass Spectroscopy
- Recent Developments in Chromatography
- Analytical Chemistry and Separation Techniques
- Mass Spectrometry in Pharmaceutical Analysis
- Recent Advances and Development in Mass Spectrometry
- Mass Spectrometry Imaging
- High-Performance Liquid Chromatography
- Market Growth of Chromatography
- Liquid Chromatography and Mass Spectrometry
- Super Critical Fluid Chromatography

# Who Attends

- Analytical experts
- Research Heads
- Analytical experts
- Professors
- PhD students
- Theoretical scientists
- Graduate and Postgraduate students
- Business Entrepreneurs
- Training Institutes
- Other Medical Specialties

# REMINISCENCE OF Previous Conference

***Be a Part and join our Webinar to discuss the present and future challenges in Mass Spectrometry and Chromatography***
