Dear Colleagues!!

On behalf of Conference Series Ltd, We would like to take an immense pleasure and honor to welcome you towards upcoming **20th International Conference on Medicinal Chemistry and Rational Drugs** in **Vancouver, Canada** a metropolitan city and a heart core pharmaceutical hub in Vancouver region. The purpose of this 2 day conference is to bring together high profiled researchers, scholars, eminent personalities and students from both academic and industrial fields throughout the world under single roof. This will explore the link between chemistry, drug discovery and pharmacology in the latest generation. The conference will focus on the theme Scientists Unlock Research- New Trends in Chemistry, Drug Delivery & Drug Discovery.

Theme: New Horizons in Medicinal Chemistry: Enlightenment & Inculcation Regarding Rational Drugs.

As we know, in this present world day to day latest innovations and discoveries are going on. Based on such issues we came forward to correlate our conference subject with reference to Traditional and Biomedicine, Pharmacology, Rational Drugs, Cancer Studies, Hyphenated Chromatographic Techniques, Neurodegenerative Diseases and Emerging Diseases.

Accordingly, we would be delighted if you would share with us your views on new innovations in research and development and science education issues. You are happy to participate in Keynote Sessions, Workshops & Symposiums, Oral talks and Poster presentations. MedChem and Rational Drugs international conference also holds several types of sponsorships in proving greater benefits to the members participating from pharmaceutical sectors, lab centers and other market dealers. Our international conference also provides a great support to the business entrepreneurs to promote their products or organization promotion in our conference hall @ Vancouver by exhibiting booths.

Finally, we will be highly obliged to see you in Vancouver @ MedChem and Rational Drugs 2018. Thank You!!

With Best Regards

Why Vancouver, Canada?

Texas pharmaceVancouver, a bustling west coast seaport in British Columbia, is among Canada's densest, most ethnically diverse cities. A popular filming location, it's surrounded by mountains, and also has thriving art, theatre and music scenes. Vancouver Art Gallery is known for its works by regional artists, while the Museum of Anthropology houses preeminent First Nations collections. The City of Vancouver was incorporated on 6 April 1886. Vancouver is consistently named as one of the top five worldwide cities for livability and quality of life and the Economist Intelligence Unit acknowledged it as the first city ranked among the top-ten of the world's most well-living cities for five consecutive years. Vancouver has hosted many international conferences and events.

Why to Attend?

In shortly we can say, to connect and interact with leaders in Chemistry and Pharmacology as they share insights, critical skills and strategies that will optimize your practice's performance and help you stay at the forefront of Chemistry and Pharmacology Education. As we know, in this present world day to day latest innovations and discoveries are going on. Based on such issues we came forward to correlate our conference subject with reference to Traditional and Biomedicine, Drug Discovery, Rational Drugs, Cancer Studies, Hyphenated Chromatographic Techniques, Neurodegenerative Diseases and Emerging Diseases.

Who should Attend?

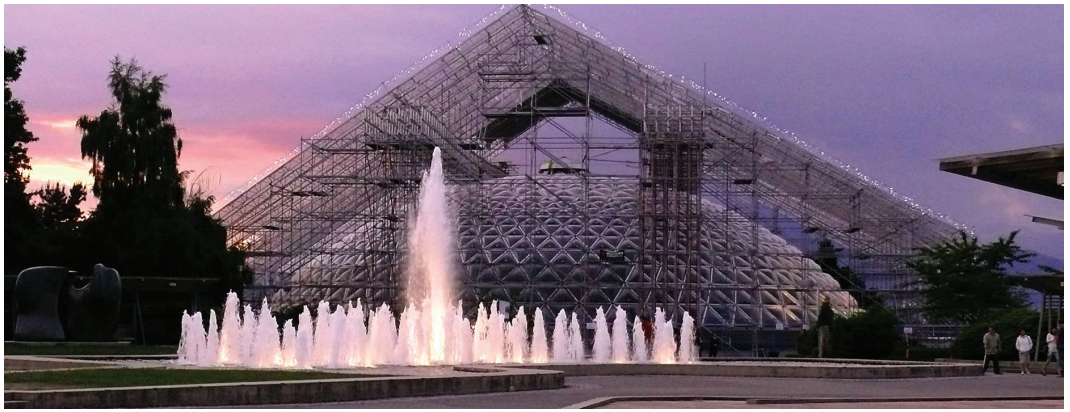

Heads, Directors, Group Leaders, Professors, Lecturers, Research Associates, Scientists, Investigators, Fellows, Readers from Pharmaceutical, Bio-pharmaceutical and Research Institutes working in,.

TOURISTS ATTRACTIONS

Scienceworld

Science World runs a variety of outreach programs all over the province of British Columbia. Ignite your mind and discover the wonders of science at Science World. Immerse yourself in interactive indoor and outdoor displays, inspirational feature exhibitions, jaw-dropping live science demonstrations. The building's former name, Science World, is still the name of the organization. The building's name change to the Telus World of Science became official on July 20, 2005 following a $9-million donation to the museum from Telus.

Stanley Park

Stanley Park is a 405-hectare public park that borders the downtown of Vancouver in British Columbia, Canada and is almost entirely surrounded by waters of Vancouver Harbor and English Bay. The park has a long history and was one of the first areas to be explored in the city. The land was originally used by indigenous peoples for thousands of years before British Columbia was colonized by the British during the 1858 Fraser Canyon Gold Rush.

Vancouver Aquarium

The Museum of Vancouver is an award-winning civic history museum located in Vanier Park, Vancouver, British Columbia. The MOV is the largest civic museum in Canada and the oldest museum in Vancouver. The museum was founded in 1894 and went through a number of iterations before being rebranded as the Museum of Vancouver. It creates Vancouver-focused exhibitions and programs that encourage conversations about what was,

TOURISTS ATTRACTIONS

Bloedel Floral Conservatory

Bloedel Conservatory is a domed lush paradise located in Queen Elizabeth Park atop the City of Vancouver's highest point. More than 120 free-flying exotic birds, 500 exotic plants and flowers thrive within its temperature-controlled environment.

Burrard Inlet

Burrard Inlet is a relatively shallow-sided coastal fjord in southwestern British Columbia, Canada. Formed during the last Ice Age, it separates the City of Vancouver and the rest of the low-lying Burrard Peninsula from the slopes of the North Shore Mountains, home to the communities of West Vancouver and the City and District of North Vancouver.

Museum of Vancouver

The Museum of Vancouver is an award-winning civic history museum located in Vanier Park, Vancouver, British Columbia. The MOV is the largest civic museum in Canada and the oldest museum in Vancouver. The museum was founded in 1894 and went through a number of iterations before being rebranded as the Museum of Vancouver in 2009. It creates Vancouver-focused exhibitions and programs that encourage conversations.
