Dear Colleagues!!

On behalf of Conference Series Ltd, We would like to take an immense pleasure and honor to welcome you towards upcoming **18th International Conference on Medicinal Chemistry & Targeted Drug Delivery** in **Dallas, USA** a metropolitan city and a heart core pharmaceutical hub in Texas region. The purpose of this 3 day conference is to bring together high profiled researchers, scholars, eminent personalities and students from both academic and industrial fields throughout the world under single roof. This will explore the link between chemistry, drug discovery and targeted drug delivery in the latest generation.

Theme: Scientists Unlock Research- New Trends in Chemistry, Drug Delivery & Drug Discovery.

As we know, in this present world day to day latest innovations and discoveries are going on. Based on such issues we came forward to correlate our conference subject with reference to Traditional and Biomedicine, Pharmacology, Drug Designing, Cancer Studies, Hyphenated Chromatographic Techniques, Neurodegenerative Diseases and Emerging Diseases.

Accordingly, we would be delighted if you would share with us your views on new innovations in research and development and science education issues. You are happy to participate in Keynote Sessions, Workshops & Symposiums, Oral talks and Poster presentations. MedChem & TDD international conference also holds several types of sponsorships in proving greater benefits to the members participating from pharmaceutical sectors, lab centers and other market dealers. Our international conference also provides a great support to the business entrepreneurs to promote their products or organization promotion in our conference hall @ Dallas by exhibiting booths.

Finally, we will be highly obliged to see you in Dallas @ MedChem & TDD 2018. Thank You!!

With Best Regards

About Hosting Organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by

Why Dallas, Texas?

Texas pharmaceutical giant maintained a robust lead over drug makers in our annual ranking of the largest Bio-Pharma companies in the United States of America.

However, the pharmaceutical market is still dominated by a few very large companies that control the import/distribution, retail and manufacturing sectors. While these companies have played an important role in the pharmaceutical sector's development in Dallas, their market dominance leads to high mark-up for medicines which explain the high expenditures on pharmaceuticals. The mark-up for medicines in Dallas is far above the average mark-up for medicines than in European countries.

Why to Attend?

In shortly we can say, to connect and interact with leaders in Chemistry and Drug Discovery as they share insights, critical skills and strategies that will optimize your practice's performance and help you stay at the forefront of Chemistry and Drug Discovery Education. As we know, in this present world day to day latest innovations and discoveries are going on. Based on such issues we came forward to correlate our conference subject with reference to Traditional and Biomedicine, Pharmacology, Drug Designing, Cancer Studies, Hyphenated Chromatographic Techniques, Neurodegenerative Diseases and Emerging Diseases.

Who should Attend?

Heads, Directors, Group Leaders, Professors, Lecturers, Research Associates, Scientists, Investigators, Fellows, Readers from Pharmaceutical, Bio-pharmaceutical and Research Institutes working in,.

- Chemistry
- Traditional Medicine
- Pharmaceutical Sciences
- Drug Delivery
- Drug Designing
- Drug Testing
- Drug Discovery
- Chromatographic Techniques
- Pharmacology
- Cancer Studies
- Neurodegenerative Diseases
- Personalised Medicines
- Virology
- Chemical Biology
- Biomedical Sciences
- Biochemistry
- Organic Chemistry
- Translational Sciences/Medicines

Conference Highlights

- Fusion of Traditional and BioMedicine
- Computer Aided Drug Designing-CADD
- Targeted Drug Delivery System-TDDS (Smart Drug Delivery)
- Cancer Studies: Drug Delivery and Chemistry
- Neurodegenerative Diseases
- Vaccines and Autism
- Emerging Disease Medicines
- Antibiotics
- Personalised Medicines and Drugs
- Pharmaceuticals & Nutraceuticals
- Pharmaceutical Separation Analysis
- Drug Designing
- Hyphenated Chromatographic Techniques
- Chemical Biology
- High Throughput Screening in Drug Discovery & Drug Delivery
- ChemVirology
- Biomedical Engineering.

TOURISTS ATTRACTIONS DISTANCE FROM CONFERENCE VENUE

NATURAL BRIDGE CAVERNS (4 h 11 min (272.8 mi) via I-35 S)

Welcome to Natural Bridge Caverns, Texas – a premier natural attraction – where you'll find adventure and fun around every bend. Like on the Discovery Tour, where you'll see massive, otherworldly formations formed by single drops of water and the slow passage of time. Or, explore our Hidden Passages Tour, where shadows dance over delicate formations and mystery awaits in every shadow. Take to the skies high above Texas, as you ascend the Canopy Challenge, or for a true test, try tackling one of our adventure tours. Experience a sense of discovery finding your way through our AMAZEn' Ranch Roundup, a 5,000 square foot outdoor maze.

DALLAS WORLD AQUARIUM (15 min (10.7 mi) via US-75 S)

An old warehouse at 1801 North Griffin Street, near the Historic West End District in downtown Dallas, became the original site of The Dallas World Aquarium, opening to the public in October 1992. Built in 1924, the empty warehouse had been occupied until 1982. During those years it was used for various industries, including the Mohawk Rubber Company and Pioneer Steel Rule and Die.

SEA THE WORLD VACATIONS (16 min (10.9 mi) via US-75 S)

Dive into this incredible underwater kingdom to see some of the most amazing marine animals. With so many things to do at Sea World San Antonio, Texas, you won't ever have to worry about being bored! Once inside, you'll find the perfect blend of amusement park fun and wildlife exploration. Stop by the popular Dolphin Cove and say hello to a lively pod of Atlantic bottlenose dolphins, or venture into the Penguin Encounter exhibit where more than 100 different kinds of penguins dive, swim, and play. Adrenaline junkies can head straight to The Great White to test their limits with the 360-degree loops and flips on this exhil-arating coaster that race around the track at nearly 50 miles per hour!

SAN ANTONIO RIVER WALK

The San Antonio River Walk (also known as Paseo del Río or simply as the River Walk) is a network of walkways along the banks of the San Antonio River, one story beneath the streets of San Antonio, Texas, USA. Lined by bars, shops, restaurants, nature, and public art, the River Walk is an important part of the city's urban fabric and a tourist attraction in its own right.

AT&T STADIUM (30 min (27.6 mi) via I-635 W)

AT&T Stadium, formerly Cowboys Stadium, is a retractable roof stadium in Arlington, Texas, United States. It serves as the home of the Dallas Cowboys of the National Football League (NFL) and was completed on May 27, 2009. It is also the home of the Cotton Bowl Classic. The facility, owned by the city of Arlington, can also be used for a variety of other activities such as concerts, basketball games, college and high school football contests, soccer matches, and motocross and Spartan races. It replaced the partially covered Texas Stadium, which served as the Cowboys' home from 1971 through the 2008 season.

DALLAS ZOO (19 min (14.5 mi) via US-75 S)

The Dallas Zoo is home to over 2,000 animals, which represent over 400 species. From the smallest (insects) to the largest (African elephant) and from A (ant-eater) to Z (zebra), you will find a vast variety of fascinating creatures here! The animals are anxious to see you – plan a visit to the Dallas Zoo soon!
