24th International Conference on

Medicinal Chemistry and Drug Design

September 19-20, 2024 | Paris, France | Hybird Event

About Conference

Medicinal Chemistry- 2024 invites all the participants across the globe to attend our "24th International Conference on Medicinal Chemistry and Drug Design" to be held on September 19-20, 2024 under the theme "Innovating Molecular Pathways: Pioneering the Future of Drug Discovery and Design"

This Conference aims to gather academic scientists, researchers and research scholars to exchange and share their researches and experiences on all the aspects of Medicinal Chemistry

Conference Sessions

- Medicinal Chemistry
- Drug Design and Development
- Analytical Chemistry
- Chromatography
- Pharmacodynamics and Pharmacokinetics
- Medicinal Chemistry for Drug Discovery
- Organic and Inorganic Chemistry
- Antibiotics
- Drug Chemistry
- Vaccine and Drug Delivery System
- Biochemistry
- Spectroscopy
- Biomarkers in Drug Design
- Pharmaceutical Marketing
- NMR Role in Rational Drug Design
- Food Chemistry

Who Attends

- Medicinal Chemists
- Pharmaceutical Scientists
- Clinical Researchers
- Biopharmacists
- Toxicologists
- Pharmacologists
- Analytical Chemists
- Organic Chemists
- Biotechnology Experts
- Industry Professionals
- Academic Researchers
- Regulatory Affairs Specialists
- Drug Design Engineers
- Healthcare Innovators
- Graduate and Postgraduate Students in Related Fields

REMINISCENCE OF Previous Years

Be a part and join our conference to discuss the present and future challenges in Medicinal Chemistry and Drug Design
