## About the conference

Welcome to Medicinal Plants 2024!

The 10th World Congress on Medicinal Plants and Marine Drugs promises to be a pivotal event for the global scientific community. Scheduled for October 10-11, 2024, in the captivating city of Paris, France, this conference will serve as a dynamic platform for researchers, scholars, and industry experts to converge and exchange cutting-edge knowledge in the fields of medicinal plants and marine drugs.

**Theme:** "Planting Seeds of Health, Harvesting Waves of Wellness: Medicinal Plants and Marine Drugs Symposium".

## Why to attend the conference

With a rich history in natural remedies, Paris provides an apt backdrop for discussions on the latest advancements in medicinal plant research and marine-derived pharmaceuticals. Renowned keynote speakers and thought leaders will illuminate the conference with their insights, addressing critical topics such as sustainable harvesting, bioactive compound identification, and innovative drug development methodologies.
