- ☞ Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.

ABOUT VENUE

Paris is legendary for its cafe culture, the Eiffel Tower , the Louvre, Notre Dame, the Moulin Rouge, pastries, and fashion. Paris is usually seen as having beauty, elegance, and as being a boldly romantic city. French capital has long been referred to as the town of sunshine , with most of the people thinking this name comes from the twinkling lights of the Eiffel Tower that grace the banks of the Seine in the dark and therefore the glistening boulevards round the city. However, this name actually comes from the mid-17th century when Louis XIV (aka the Sun King (Roi Soleil)) decided to restore the public's faith in law and order by quadrupling the amount of cops within the city and installing lanterns on almost every major road in Paris. From that point on the city became known as La Ville-Lumière ('The City of Light').The City of Light nickname has also been used to refer to the Age of Enlightenment in Paris, bringing to the fore poets, philosophers, scientists and engineers who all played a part in the city's development. The following list gives you a glimpse at just some of the things that Paris is so famous for, showing its beauty, heritage, culture, and eclecticism.

The Eiffel Tower, Notre Dame, The Arc de Triomphe, The Champs-Élysées, The Louvre, Sacré-Cœur, The Moulin Rouge, Centre Pompidou, Galeries Lafayette, Cimetière du Père, Lachaise, Jardin de Tuileries, Jardin de Luxembourg, Shakespeare & Company, Café de Flore, Metro Stations, Le Marais

Now you know what Paris is known as and is famous for you can start planning your trip to France's incredible capital city. Whether you love art and culture, parks and gardens or foodie fun, there is something for you to enjoy in Paris.
