5th International Conference on

Metabolomics and Proteomics

February 10-11, 2020 | Sydney, Australia

200+	12+	6+	50+	3+	10+	B2B
Participation	Interactive Sessions	Keynote Lectures	Plenary Lectures	Workshops	Exhibitors	Meetings

https://world.metabolomicsconference.com/

Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the Conference through submissions of their posters & research abstracts. Also, high quality research contributions describing Original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Anesthesiologist are warmly invited to exhibit their product at the conference.

- Metabolomics
- Cancer Metabolomics
- Edibilomics
- Lipidomics
- Computational Methodologies
- Recent Advancements in Metabolomics
- Microbial Metabolism
- Proteomics
- Bioinformatics and Computational Biology
- Epigenomics and Epigenetics
- Next-generation sequencing
- Pharmacogenomics
- Enzyme Nanotechnology
- Molecular Medicine and Diagnostics
- Mass Spectrometry based Metabolomics
- Metabolomics in Precision Medicine

Important Dates:

Abstract submission opens: August 01, 2019

Registration opens: August 05, 2019

On spot registration: February 10, 2020

Speaker Slots Available

NOTE: Program Schedule is subject to change with final allotment of the speaker slots

Program at Glance

Day 01 | February 10, 2020	
Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break
11:45-14:00	Metabolomics | Cancer Metabolomics | Edibilomics | Lipidomics
14:00-15:00	Lunch Break
15:00-16:00	Computational Methodologies | Recent Advancements in Metabolomics
16:00-16:20	Network & Refreshments Break
16:20-18:00	Microbial Metabolism | Proteomics | Bioinformatics and Computational Biology
	Day Concludes

Day 02 | February 11, 2020	
Time	Session
09:00-11:30	Epigenomics and Epigenetics | Next-generation sequencing | Pharmacogenomics | Enzyme Nanotechnology
11:30-11:45	Network & Refreshments Break
11:45-14:00	Molecular Medicine and Diagnostics
14:00-15:00	Lunch Break
15:00-16:00	Mass Spectrometry based Metabolomics | Metabolomics in Precision Medicine
16:00-16:20	Network & Refreshments Break
16:20-18:00	Poster Presentations
	Day Concludes
	Award Ceremony
	Conference Concludes

City Attractions

Venue

Sydney, capital of New South Wales and one of Australia's largest cities, is best known for its harbourfront Sydney Opera House, with a distinctive sail-like design. Massive Darling Harbour and the smaller Circular Quay port are hubs of waterside life, with the arched Harbour Bridge and esteemed Royal Botanic Garden nearby. Sydney Tower's outdoor platform, the Skywalk, offers 360-degree views of the city and suburbs.Sydney is Australia's safest city and the fifth safest in the world, according to The Economist's 2019 Safe Cities Index. Tokyo took out the top position for the third year in a row, with Singapore, Osaka and Amsterdam making up the other top five safest cities worldwide.The ranking is judged according to crime rates, public health, digital and infrastructure security, hospital quality, terrorism risk, natural disasters and road traffic deaths, as well as 49 other statistical indicators.The only other Australian city to make the index, which featured 60 cities from around the world, was Melbourne, which placed 10th. Its score for infrastructure security, health security and digital security matched that of Sydney's, but it fell short in terms of personal security.
