WELCOME ADDRESS

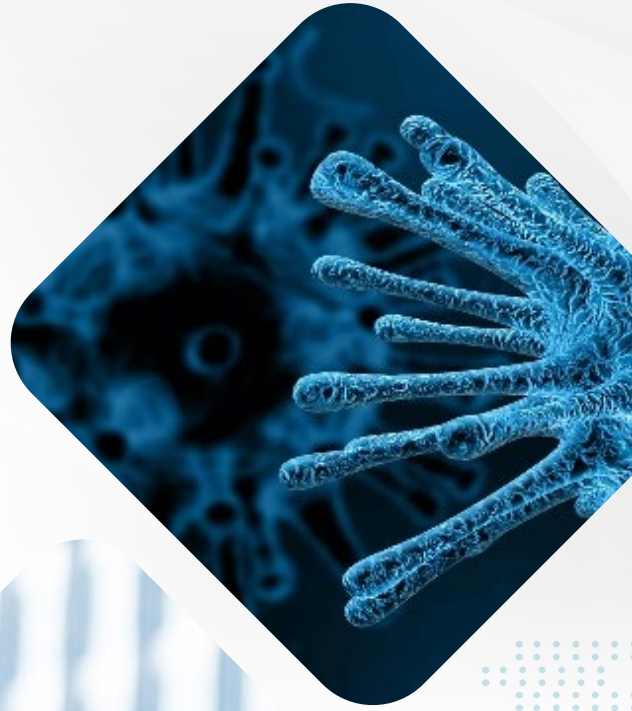

Dear Attendees,

The Microbial Interactions 2026 Organizing Committee is absolutely delighted to welcome you to the **21st International Conference on Microbial Interactions & Microbial Ecology** which will be held in **Paris, France** on **April 27-28, 2026**, where we will be shining a spotlight on "Microbial interactions in extreme environments". As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Microbial Interactions 2026 Congress to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Paris Coming April 2026

Sincerely,
Microbial Interactions 2026
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Microbial Interactions 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about 21st International Conference on Microbial Interactions & Microbial Ecology present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

21st International Conference on Microbial Interaction and Microbial Ecology is among the World's leading Scientific Conference. The two day event on Microbial Interactions will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Microbial Interactions & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Microbial Interactions conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Microbial Interactions & Microbial Ecology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Microbial Interactions provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Microbial Interactions 2026**.

ABOUT CONFERENCE

Who Should Attend?

Microbial Interactions 2026 Conference website is attracting 56000+ Microbiology, Applied Microbiology, Bacteriology, Bacterial Pathogens & Associated diseases, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Microbial Interactions
- Host-Pathogen Interaction
- Plant-Soil Microbe Interactions
- Microbial Ecology and Evolution
- Microbial Community
- Microbial Diseases
- Microbiology & Infectious Diseases
- Applied and Environmental Science
- Soil microbiology & Water
- Antimicrobial Agents & Resistance
- Mycology, Fungal Pathogens and Associated Diseases
- Clinical and Public Health Microbiology
- Food & Marine Microbiology
- Molecular Microbiology
- Cellular Microbiology & Systems Microbiology
- Aquatic & Marine Microbiology
- Microbial Pathogenesis

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Ocky Karna Radjasa
Diponegoro University, Indonesia

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Peng Tian
United States Department of Agriculture, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Zhiheng Pei
New York University School of Medicine, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Guan Yuntao
Tsinghua University, China

The conference was well organized and the committee was outstanding in keeping the whole event lively.

Haifeng Jia
Tsinghua University, China

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Hui Wang

ABOUT PARIS

Paris, the capital of France, is one of the most iconic and enchanting cities in the world. Often referred to as “The City of Light,” Paris stands as a symbol of art, culture, fashion, and romance. Situated along the River Seine in northern France, the city has a long and fascinating history that spans over two millennia. Today, Paris remains a global hub for culture, education, science, and international diplomacy, hosting some of the world’s most renowned institutions and events, The beauty of Paris lies in its seamless blend of historic grandeur and modern sophistication. From the majestic HYPERLINK “https://microbialinteractions.expertconferences.org” Eiffel Tower and the artistic treasures of the Louvre Museum, to the architectural elegance of Notre-Dame Cathedral and Arc de Triomphe, the city’s landmarks captivate millions of visitors each year. Its charming boulevards, bridges, and cafes create an atmosphere that has inspired countless writers, painters, and dreamers throughout history,Culturally, Paris is unmatched. It is home to a vibrant arts scene, with world-class museums, theaters, and galleries showcasing both classical masterpieces and contemporary works. The city has played a pivotal role in shaping global literature, cinema, and fashion. Events such as HYPERLINK “https://microbialinteractions.expertconferences.org” Paris Fashion Week, Bastille Day celebrations, and the Nuit Blanche art festival highlight the city’s creative spirit and cultural diversity, Beyond its cultural landmarks, Paris offers a culinary experience that is nothing short of exceptional. The city’s restaurants, patisseries, and street cafes are famous for their exquisite flavors and artistry. From traditional French dishes like coq au vin and crêpes to fine dining at Michelin-starred establishments, Parisian cuisine celebrates both heritage and innovation.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
microbialinteractions@speakersagenda.com

Academic

Only Registration: € 749
Package A (Registration + 2 Night`s Accommodation): € 1099
Package B (Registration + 3 Nights Accommodation): € 1299

Business

Only Registration: € 799
Package A (Registration + 2 Night`s Accommodation): € 1199
Package B (Registration + 3 Nights Accommodation): € 1399

Student

Student Delegate: € 499
Young Researcher Forum: € 549

Important Dates

Abstract submission opens: October 01, 2025
Registration opens: October 01, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
