WELCOME ADDRESS

Dear Attendees,

The Microbiology 2025 Organizing Committee is absolutely delighted to welcome you to the **54th World Congress on Microbiology** which will be held in **Rome Italy** on **November 03-04, 2025,** where we will be shining a spotlight on *"Ethical considerations in microbiology research and applications"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Microbiology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which is in Rome It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Microbiology 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Microbiology 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Microbiology 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Microbiology, Control & Prevention.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Microbiology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

54th World Congress on Microbiology is among the World's leading Scientific Conference. The two day event on Microbiology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Microbiology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Microbiology conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Microbiology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Microbiology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Microbiology 2025**.

ABOUT CONFERENCE

Who Should Attend?

Microbiology 2025 Conference website is attracting 56000+ Microbiology, Applied Microbiology, Bacteriology, Bacterial Pathogens & Associated diseases, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Bacteriology, Bacterial Pathogens & Associated diseases
- Mycology, Fungal Pathogens and Associated Diseases
- Virology, Viral Pathogens and Associated Diseases
- Phycology, Nematology & Protozoology
- Pathogenecity of the plant microbes
- Antimicrobial Agents & Resistance
- Clinical Infections and Vaccines
- Clinical and Public Health Microbiology
- Applied and Environmental Science
- Microbial Cytology and Microbial Physiology
- Microbial Ecology and Evolution
- Molecular Microbiology
- Cellular Microbiology & Systems Microbiology
- Industrial Microbiology, Microbial Biotechnology and Future Bioindustries
- Food Microbiology
- Environmental Microbiology
- Aquatic & Marine Microbiology
- Veterinary Microbiology

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Ocky Karna Radjasa
Diponegoro University, Indonesia

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Peng Tian
United States Department of Agriculture, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Zhiheng Pei
New York University School of Medicine, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Guan Yuntao
Tsinghua University, China

The conference was well organized and the committee was outstanding in keeping the whole event lively.

Haifeng Jia
Tsinghua University, China

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Hui Wang
Tsinghua University, China

ABOUT BERLIN

Rome, the capital of Italy, is one of the most iconic and historically rich cities in the world. Often referred to as the “Eternal City,” Rome has been a center of power, culture, and religion for over 2,500 years. It was once the heart of the Roman Empire, whose influence shaped much of Western civilization. Today, the city stands as a vibrant blend of ancient ruins, Renaissance architecture, and modern Italian life, At the heart of Rome lies the Colosseum, a symbol of Roman engineering and entertainment, where gladiators once battled before thousands. Nearby, the Roman Forum and Palatine Hill offer glimpses into the political and social life of ancient Rome. The Pantheon, with its massive dome, and the iconic Trevi Fountain are just a few of the many landmarks that attract millions of tourists each year. Walking through Rome feels like traversing a living museum, In addition to its ancient wonders, Rome is also the spiritual home of Catholicism. The independent city-state of Vatican City, located within Rome, is the residence of the Pope and the site of St. Peter’s Basilica and the Sistine Chapel, famous for Michelangelo’s ceiling frescoes. Pilgrims and art lovers alike flock to these sites, blending spiritual significance with artistic splendour, Rome is also known for its lively street life, world-class cuisine, and fashion-forward culture. Neighborhoods like Trastevere offer charming cobblestone streets, family-run trattorias, and a vibrant nightlife. Whether you’re exploring historic sites, savoring an espresso at a local café, or simply enjoying a stroll along the Tiber River, Rome offers an unforgettable experience that captures the essence of Italy’s past and present.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Package A (Registration + 2 nights' Accommodation): € 999
Package B (Registration + 3 nights' Accommodation): € 1199

Business

Only Registration: € 699
Package A (Registration + 2 nights' Accommodation): € 1099
Package B (Registration + 3 nights' Accommodation): € 1299

Student

Student Delegate: € 449
Young Researcher Forum: € 499

Important Dates

Abstract submission opens: July 05, 2024
Registration opens: July 05, 2024
On spot registration: March 17, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
