	15.20-18.00		Poster Sessions and Interactions

Awards & Closing Ceremony

NOTE: Program Shedule is subject to change with final allotment of the speaker slots*

Glimpses of Microbiology Conferences

OFFERING 15% DISCOUNT TO WOMEN PARTICIPANTS AS A SPECIAL APPRECIATION TO WOMEN IN SCIENCE & TECHNOLOGY

Major Scientific Sessions

- Antimicrobials
- Microbial Immunology
- Bacteriology
- Virology
- Mycology and Phycology
- Intestinal Microbiology
- Clinical Microbiology
- Metabolic Microbiology
- Microbial Ecology
- Microbial Biotechnology
- Microbial Infections
- Microbial Interactions
- Microbiology and Cell Science
- Microbiology in Cancer Therapy
- Microbiology in Oral Health
- Role of Microbiology in Agriculture
- Role of Microbiology in Nursing

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About San Antonio

San Antonio is the third largest city in the state of Texas. It is the 7th largest city in the United States of America with a population of 1.33 million. The city was named after San Antonio de Padua, whose feast day is on June 13, when a Spanish expedition stopped in the area in 1691. Famous for Spanish missions, the Alamo, the River Walk, the Tower of the Americas, the Alamo Bowl, Marriage Island and host to SeaWorld and Six Flags Fiesta Texas theme parks, the city is visited by approximately 26 million tourists per year according to the San Antonio Convention and Visitors Bureau. The city is home to the four-time NBA champion San Antonio Spurs and the annual San Antonio Stock Show & Rodeo, one of the largest in the country. San Antonio has a strong military presence. It is home to Fort Sam Houston, Lack Land Air Force Base, Randolph Air Force Base, and Brooks City-Base, with Camp Bullis and Camp Stanley outside the city. Kelly Air Force Base was operated out of San Antonio until 2001, when the airfield was transferred over to Lakeland AFB and the remaining portions of the base became Port San Antonio, an industrial/business park. San Antonio is home to five Fortune 500 companies and the South Texas Medical Center, the only medical research and care provider in the South Texas region.

The jewel of the city is the River Walk, which meanders through the downtown area. The Alamo, located nearby, is Texas' top tourist attraction, while the River Walk is the second most visited attraction. Sea World, located 16 miles (26 km) west of downtown, is the 3rd attraction. San Antonio is home to the first museum of modern art in Texas, the McNay Art Museum. Other places of interest include the San Antonio Zoo, the Japanese Tea Garden, Brackenridge Park, the missions of the San Antonio Missions National Historical Park, San Antonio Museum of Art, San Antonio Botanical Garden and the Witte Museum. San Antonio serves as the seat of Bexar County. The city has characteristics of other western urban centers in which there are sparsely populated areas and a low density rate outside of the city limits. The city is the anchor municipality of the San Antonio-New Braunfels metropolitan area; the other principal city is its largest suburb, New Braunfels. Commonly referred to as Greater San Antonio, the metropolitan area has a population of just under 2.2 million based on the 2011 U.S. Census estimate, making it the 24th largest metropolitan area in the United States and 3rd largest in the state of Texas.
