World Microfluidics Congress

November 19-20, 2020 || Berlin, Germany

Microfluidics Congress-2020

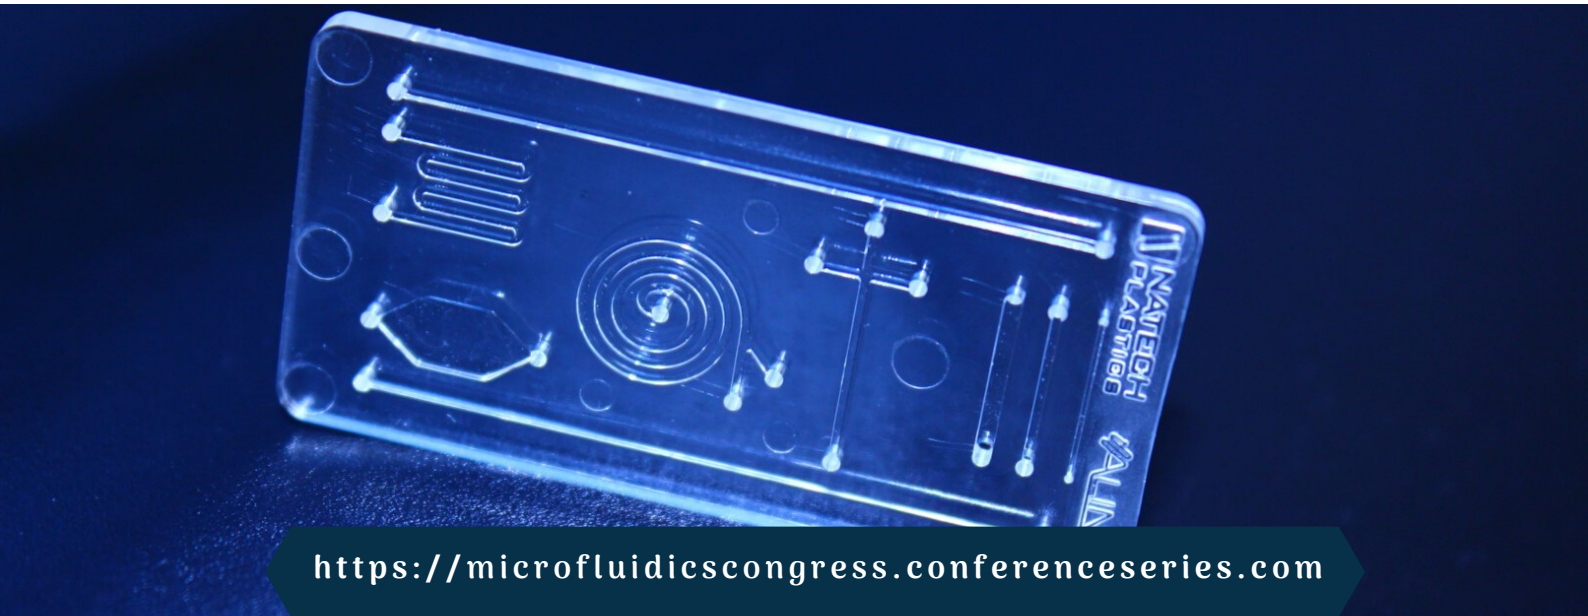

Dear Colleagues,

Conference Series proudly announces the World Microfluidics Congress scheduled during November 19-20, 2020 in Berlin, Germany. The conference emphasizes the theme “Driving the future with microfluidics & biomems”.

It’s an world congress where you can select and investigate your exploration and get rules from specialists in flow look into and improvements. They will help you in research questions and guarantee your examination experimentally acceptable. Microfluidics Congress-2020 will be a precious asset for understanding the broadness in the field of Microfluidics and Nanofluidics. Microfluidics identifies with outline and study of devices which move or analyze tiny amount of fluid, smaller than a droplet. Microfluidic conferences deals with the advance research and its devices have micro-channels running from submicron to couple of millimeters.

Conference Highlights:

- Microfluidics Research and Advances
- Nanofluidics Research
- Microfluidic Chip
- Microfluidics in Drug Delivery and Formulations
- Microfluids in Nano-medicine
- Nano-Materials and Nano-Technology
- Microfluidics in Pharmacy
- Microfluidic Biotechnology
- Lab-On-A-Chip Technology
- Clinical Diagnostics
- Complex Fluid Interfaces
- Point of Care Technologies

Microfluidics Congress-2020

About Berlin

Berlin is the capital city of Germany with a population of approximately 3.5 million. Berlin is located in the eastern part of Germany and an important hub to the Eastern European states like Poland. Berlin is the the seventh most populous urban area in the European Union and second most populous city in the European Union. Berlin's economy is based on the service sector because it is one of the most popular touristic destinations in Europe. Berlin location is influenced by a temperate seasonal climate due to its location in the European plain. Around one-third of the city's area is composed of forests, canals, parks, gardens, rivers, and lakes Bradenburgh Gate is the Berlin's most famous historic place.
