WELCOME ADDRESS

Dear Attendees,

The Plant Science 2024 Organizing Committee is absolutely delighted to welcome you to the **10th Global Summit on Plant Science** which will be held in **Barcelona, Spain** on **May 09-10, 2024,** where we will be shining a spotlight on *"Safeguarding the Plant Community for Global Development and Environmental Concerns"*.

The congress is to be held in one of the world's most important global city Barcelona, Spain. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Plant Science 2024

ABOUT US

Goals & Objectives

- The Plant Science 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Plant science research, Plant nutrition, Plant morpholology.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Plant science.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

Plant Science 2024 is the premier event that brings together a unique and international mix of experts, researchers and decision makers both from academia and industry across the globe to exchange their knowledge, expertise and research innovations to build a world class plant Science conference.

It's our greatest pleasure to welcome you to the official website of 10th Global Summit on Plant Science that aims at bringing together the Professors, Researchers, and scientists, Lab Scientists to provide an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices.

ABOUT CONFERENCE

Who Should Attend?

The target audience will be plant and agricultural associations, plant physiologists, plant microbiologists, plant biotechnologists, plant genomics students and scientist, plant genomics researchers and faculty, business entrepreneurs, and the manufacturing companies of agricultural products.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

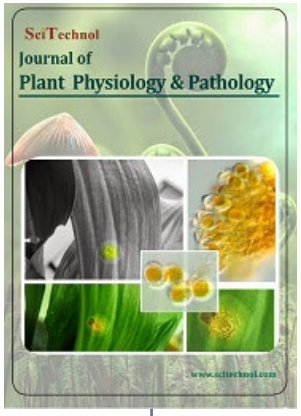

- Agricultural Sciences
- Medicinal Plants and Pharmacognosy
- Plant Biotechnology
- Plant Tissue Culture
- Plant Genetics and Genomics
- Plant Sciences and Plant Research
- Plant Molecular Biology
- Plant Pathology and Mycology
- Horticulture
- Agriculture and Natural Resources
- Agricultural machinery
- Hybrid Crops
- Seed Science and Technology
- Plant Morphology and Plant Metabolism
- Plant Physiology and Biochemistry

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

ABOUT BARCELONA

Barcelona has a rich cultural heritage and is today an important cultural centre and a major tourist destination. Particularly renowned are the architectural works of Antoni Gaudí and Lluís Dominic i Montaner, which have been designated UNESCO World Heritage Sites. The city is home to two of the most prestigious universities in Spain: the University of Barcelona and Pompeu Fabra University. The headquarters of the Union for the Mediterranean are located in Barcelona. The city is known for hosting the 1992 Summer Olympics as well as world-class conferences and expositions. In addition, many international sport tournaments have been played here.

Barcelona is a major cultural, economic, and financial centre in southwestern Europe, as well as the main biotech hub in Spain. As a leading world city, Barcelona's influence in global socio-economic affairs qualifies it for global city status.

Important Roman vestiges are displayed in Plaça del Rei underground, as a part of the Barcelona City History Museum .The typically Roman grid plan is still visible today in the layout of the historical centre, the Barri Gòtic Some remaining fragments of the Roman walls have been incorporated into the cathedral.HYPERLINK "https://en.wikipedia.org/wiki/Barcelona" \l "cite_note-34"] The cathedral, Catedral Basílica Metropolitana de Barcelona, is also sometimes called La Seu, which simply means in Catalan.[
